YATES WOODROW CAMPBELL
1918 - 1991

YATES WOODROW CAMPBELL - Missionary par excellence!

The warm-hearted, caring, sensitive pastor Yates Campbell, preached about God's love and demonstrated that kind of love in daily ministry. He served Gaston Baptist Association for 11 years as Director of Christian Social Ministries. Although he retired from the position at the Association, he never retired from ministry.

A native of Lincoln County, Yates Campbell came to Gastonia to work at Parkdale Mills in 1938, working as overseer of spinning, twisting and winding.

Campbell's life changed directions during World War II, in an airplane over Tokyo. "Over Tokyo one night, I made a commitment to the Lord that I'd give him my best if he just got me home." He served as a tail gunner on a B-29 in the Army Air Corps.

While an instructor at the N.C. Vocational Textile School he quit in 1951 to return to school and to fulfil his commitment to the Lord. He graduated from Gardner Webb College, Limestone College, Wake Forest University and Southeastern Baptist Theological Seminary.

He always gave great credit to his wife, Mary Wise Campbell, who saw him through the years of education and ministry. "I could never have done anything without her," he said. By the time Seminary was behind him, there were three sons, Walter, Pratt and Scott.

Campbell served as pastor at Dawsons and Halifax Baptist Churches, Halifax, N.C., Knightdale Baptist Church, Knightdale, and Loray Baptist Church, Gastonia. He was appointed as a missionary associate by the Home Mission Board and served as Director of Christian Social Ministries in Gaston Association from 1972-1983.

Characterized as a Builder/Minister, he built a pastorium at Halifax, a church at Dawson, a parsonage at Knightdale, an education building at Loray.

While CSM Director for Gaston Baptist Association, he led in starting a ministry with Vietnamese refugees, served as a chaplain for nine seasons with Gastonia's baseball team, conducted VBS for the handicapped, led music therapy for the psychiatric unit at Gaston Memorial Hospital, did volunteer mission work in Alaska, Barbados and South America, served as chaplain of Shield Boy Scout Camp and at Philmont, New Mexico Boy Scout Jamboree.

After retirement, Yates Campbell served several churches as interim pastor, participated in establishment of the Greater Gaston Society for the Preservation and Encouragement of Barber Shop Quartet Singing, continued to tend his garden and share vegetables with people far and wide, build birdhouses, give volunteer help to start seedlings and repot plants at a greenhouse, just to see things grow and to help someone else.

With the joy he received in living life to the fullest, even during days of failing health, the day came when it seemed he was closer to heaven than to earth - and God took him, April 6, 1991.

DEDICATION
HOYLE B. ALEXANDER, SR.
1916 - 1991

Hoyle B. Alexander will long be remembered for his ministry in Gaston Baptist Association and his service in many areas of Associational work.

Mr. Alexander served as Vice Moderator and then from 1978-1980 served as Moderator of the Gaston Baptist Association. His period of service covered eventful days in the history of the Association. It was during his period that Dr. Hoyle Allred retired as Director of Missions, a search committee was named and a new Director of Missions was called, property for the Gaston Baptist Retreat was purchased, and other areas of ministry were explored.

During the interim period between Directors, Mr. Alexander served as Interim Director for the Association, coming in almost daily to work with the staff.

Mr. Alexander was born in Lumberton, North Carolina and received his education in the Shelby School System, Gardner-Webb College, Furman University and Southern Baptist Theological Seminary Extension.

He served several churches in the Shelby area: Zoar Baptist Church, Mulls Memorial Baptist Church and Oak Grove Baptist Church. He served two churches in South Carolina: Harris Baptist Church, Greenwood and West End Baptist Church, Gaffney. He served South Marietta Baptist Church, Gastonia, as pastor from 1972-1981.

In each area of residence Mr. Alexander became a part of the larger community of ministries, such as Pastor's Conferences, State Convention committees, and served as President of the Pastor's Conference in Gaston Association.

His wife, Zelma Dixon Alexander, was a constant helpmate in his varied ministry. They were blessed with five children: Patricia A. Wellmon, Gaywendolyn A. Black, Judith A. Montgomery, Hoyle Bradley Alexander, Jr. and Teresa A. O'Tuel.

The Alexanders retired to 302 Memorial Drive, Greer, S.C. 19651. He was named Pastor Emeritus of the West End Baptist Church. He died August 22, 1991.

DEDICATION
ERLENE G. HOGAN
1935 - 1990

Erlene G. Hogan was born on October 9, 1935 in Durham, North Carolina. She died on November 12, 1990 in her home in the Hickory Grove Community of Gaston County.

Erlene was "born again" during a Morning Worship Service at the First Baptist Church, Durham, at the age of ten. Dr. J. Winston Pearce was her pastor. During her teenage years she received God's "call" to be a minister's wife--a calling she realized on December 18, 1955 when she and Edward T. Hogan were married at the First Baptist Church, Durham.

Erlene attended Wake Forest College and graduated from Meredith College in 1957, where she received the Bachelor of Arts degree with a major in Religious Education and Spanish. She is the mother of four children: Emily Jeanne, Sarah Lynne, Eric Thomas, and Andrew Craig. She is the grandmother of two: Candice and Erin.

Erlene served faithfully alongside her pastor-husband for 35 years of ministry at Masonboro Baptist Church, Wilmington, N.C.; East Baptist Church, Gastonia, N.C.; McGill Avenue Baptist Church, Concord, N.C.; and Hickory Grove Baptist Church, Gastonia, N.C.

Wonderful wife; dearest mother; faithful servant of God!

DEDICATION
ROBERT LEE EDWARDS
1913 - 1991

Robert Lee Edwards was born October 5, 1913 on a farm in Wake County. He died as a resident of Gastonia, April 14, 1991.

Upon the death of his father when Robert was a very young child, Robert was first cared for by his mother, and then by his maternal grandparents, and other family members.

The public schools of Wake County set Robert on an educational path that led him on to Mars Hill College, Wake Forest College, than the Southern Baptist Theological Seminary of Louisville, Kentucky where he received his Bachelor of Divinity Degree in 1948.

Upon completing his seminary degree, Robert entered upon a ministerial career that was interspersed with teaching school, working in a community grocery store, and assisting in funeral homes. At times he was a bi-vocational pastor.

Country boy that he was by birth and upbringing, it was sort of natural for the Edwards family to gravitate to country and small town pastorates. Robert and Frances, whom he married in 1952, served as pastoral family to churches in Person County and Bladen County of North Carolina, and then two churches in South Carolina: Mt. Ebal Baptist at Batesburg and Faith Baptist at Clover.

When Robert retired from Faith Baptist of Clover in 1978 he and Frances moved to Gastonia and became members of First Baptist Church. Frances has grown up in Gastonia as a member of the First Baptist Church.

Churches that called Robert as pastor got two college and seminary graduates for the salary of one. Frances was a graduate of the Carver School of Missions and Social Work at Louisville.

When she and Robert married, it was a case of a country boy marrying a city girl. Faithfully they did their ministry in rural and small town churches, and then retired in the city.

Robert liked to be with people. He liked to visit, especially the sick and the shut-ins. Even in retirement he regularly visited for his church, First Baptist, also for East Baptist, Gastonia.

Robert loved music. He sang in the senior adult choir at First Baptist and in the Gaston Choral Society. During the years First Baptist has an early worship service he would attend and then go to East Baptist Church and sing in the choir for the 11:00 a.m. service and again in the 7:00 p.m. services. He often led the music for Wednesday night prayer meetings at East Baptist Church.

Robert loved his family. Surviving besides his wife Frances, are a son Charles W. Edwards, and a daughter, Martha E. Mealor, and three granddaughters.

Robert liked to cook. He enjoyed gardening. He read a lot. But nothing pleased him more than to laugh and talk with friends. Robert Lee Edwards was one of that multitude Lincoln called "the common folk." He knew his heritage, accepted it, valued it, and kept faith with it. In his growing up years, he had no single home; now he does. He lived and died knowing he was "heir of God and joint heir with Christ," whose servant he was.

HISTORY OF WEST CRAMERTON BAPTIST CHURCH

The dream for a Baptist church in West Cramerton began in 1941 when a group of interested people met together several times, and decided to purchase some lots on which to put a church. The lots were eventually paid for, but nothing was done about organizing a church.

Then in 1949, interest rose again and a meeting was held of interested people on February 6, 1949. Bro. W.C. Sledge, pastor of First Baptist, Lowell, preached, and Dr. E.V. Hudson, pastor of First Baptist, Cramerton, presided over the business session. The group voted to organize a Missionary Baptist Church in West Cramerton. The constituting of the church took place on Sunday, February 27, 1949. Serving on the Council were Dr. E.V. Hudson, Rev. J.T. Stafford, Berea Baptist Church, and the Rev. John Kinnamon, Woodlawn Baptist Church, and thirteen deacons from neighboring churches. Forty seven members were received by letter, and four came under the watch-care with a letter promised.

The church elected a full slate of officers and teachers. They voted to take an option on a more suitable piece of property, and to dispose of the lot which had been bought originally. They voted to ask the State Convention for a tent to use until a building could be erected.

The tent was secured, and the Rev. Pete Millen preached the first sermon for the new church. A Revival meeting was one of the first desires, and it began on Sunday, May 1, 1949, with Rev. W.C. Sledge as the Evangelist. During the series of services, seven were received for baptism, and eight added by letter. The first Baptism was held at the First Baptist Church, Lowell, and seven new members were immersed.

The lots were sold, and the property where the church is now located was purchased from Mrs. R.Q. Ford of Lowell. The first building was begun in July, 1949, and the first services in the building were held on October 2, 1949.

The first pastor was the Rev. W.C. Deitz of Dillsboro, who began his work on Sunday, October 2, 1949. At the end of the first year of organized work, the church membership stood at ninety-one, and Sunday School enrollment at one hundred fifty-one, while Baptist Training enrollment had reached sixty-three. Total gifts the first year were $13,927.00. Missions organizations included Womens Missionary society, Y.W.A., G.A., R.A., and Sunbeams.

The church was received under the watchcare of the Gaston Baptist Association in October, 1949, and was received in full fellowship the next year.

Pastors serving West Cramerton Church have been C.R. Upton, Ralph Holcomb, W.M. Helms, James Barnes, and James Collette. Brother T.L. Cashwell, Sr., and Brother Robert Grigg served as Interim, or Supply pastors for brief periods.

Ralph Holcomb was pastor for ten years. During his tenure, the pastorium was built, and educational building was added, and the parking lots were hardsurfaced. Under his leadership, the church sponsored the Ridgeview Baptist Mission, which later, on Sept. 15, 1962, became the Ridgeview Baptist Church. During Brother Holcomb's ministry at West Cramerton, there were two hundred and eleven additions to the membership.

Brother James Barnes was called as pastor on December 4, 1966, and served the church until December, 1987. During his ministry, there were nearly 250 additions by baptism, and about as many by letter. Membership had grown to 485, with annual gifts in the neighborhood of $125,000 each year.

In January of 1988, Pastor James Collette came to serve as Interim Pastor, and was called as permanent Pastor in April of that year. Since 1988, the church has received 48 new members by baptism, and a larger number by letter. In 1989-90 Associational year, total receipts were $132,000, with almost $18,000 of that given to missions causes. Membership is approaching the 500 member mark. The church building debt has been paid off. The future is bright indeed.

HISTORY OF SECOND BAPTIST CHURCH, CHERRYVILLE, N.C.

The Second Baptist Church, Cherryville, began as the Dora Baptist Church. The first meetings were held in the home of Mr. and Mrs. A.V. Rippy, in the Dora Mill Village. For a time the group was composed of eight adults and several children. But the church was organized as the Dora Baptist Church on September 28, 1940. The Rev. N.S. Hardin was the first pastor. Officers were Mrs. John McGinnis, Clerk; Ms. Pauline Huss, Treasurer; Mr. A.V. Rippy, Sunday School Superintendent; with John McGinnis and A.V. Rippy as Deacons.

The church grew slowly, and soon had to find another place to meet. They began holding services in the Rhyne Houser Clubhouse. On January 18, 1942, the church voted unanimously to change the name to Second Baptist Church. Property on Wellington Avenue was purchased, and before long a building was erected. First services in the new building were held on Sunday, May 2, 1942. The congregation used this building until 1964, when a new sanctuary was constructed and opened. The new building faces on Houser Street, thus the address of the church changed.

Pastors who have served the church include N.S. Hardin, Arthur Blackburn, Luther Hawkins, Wendell Mullen, Waldo Mullen, Don Steele, Joe Whitworth, Franklin Hartman and Lloyd Brown, and the present pastor, Keith Love.

Pastor Keith Love began his ministry at Second Baptist on November 21, 1976. In January, 1977, extensive remodeling and renovation was begun on the educational and fellowship portions of the buildings. Soon a part-time secretary was added to the staff. Land adjacent to the church was purchased to be used for parking. All indebtedness was retired in March, 1991.

The spirit of the church has been such that the Lord has called out of this congregation several men into the full-time gospel ministry. These are Hinkle Rayfield, Gary Rayfield, A.V. Rippy, Tom Ayers, Charles Kistler, and H.F. (Bud) Tutherow. Brethren Rippy, Ayers and Kistler are now deceased, but the other three are serving the Lord as pastors of good churches.

Through the years, the church has shown a steady growth in both membership and in its missions support. In the 1989-90 Associational year, total gifts were approximately $73,000. Total membership reached 245. The church has a great spirit, and the Lord is blessing in the work.

The Executive Committee
Gaston Baptist Association
Gastonia, North Carolina

We have examined the General Fund Statement of Cash Receipts and Disbursements for the Gaston Baptist Association for the year ended September 30, 1991. Our examination was made in accordance with generally accepted auditing standards and, accordingly, included such tests of the accounting records and such other auditing procedures as we considered necessary in the circumstances.

As described in Note 1, the Gaston Baptist Association's policy is to prepare its financial statements on the basis of cash receipts and disbursements; consequently, certain revenue is recognized when received rather than when earned, and certain expenses are recognized when paid rather than when the obligation is incurred. Accordingly, the accompanying financial statement is not intended to present financial position and results of operations in conformity with generally accounting principles.

In our opinion, the financial statement referred to above presents fairly the General Fund Cash Position arising from cash transactions of the Gaston Baptist Association, for the year ended September 30, 1991 on the basis of accounting described in Note 1, which basis has been applied in a manner consistent with that of the preceding year.

CHURCH DEVELOPMENT DIRECTOR'S REPORT

By Leland Kerr

I want to thank those who lead our Organizations and Committees in Gaston Baptist Association. We have heard their reports and recommendations these two days that have enabled us to reflect, rejoice, re-commit.

Through their leadership and commitment to excellence the following areas have shown increases during the 1990-91 church year: Sunday School Enrollment, Vacation Bible School Enrollment, Discipleship Training Enrollment, Music Enrollment, and Brotherhood. In the Vacation Bible School area there were 10,585 enrolled with 181 professions of faith.

I want to recognize two Organizational Leaders for long-term work:

Jerry Olsen - Music Ministry

Tony Brown - Youth Ministry Coordinator - Under Tony's leadership, we started an annual Youth Evangelism Night (over 800 in attendance this year), monthly Youth Workers Meetings, Associational Youth Mission Trip (3 mission trips to date), Annual Super Saturday Event (over 200 this year), training events for youth leaders and parents of youth, participation in Dawson McAllister Student Conferences, strengthened ASSISTEAM, personal consultation with churches concerning Youth Ministry. During all this he still led his church effectively and became the father of two.

On behalf of Gaston Baptist Association, I thank not only Jerry and Tony, but Jack Painter for supporting their work and First Baptist, Belmont. We give them back to First Baptist, Belmont.

Another area of work I have responsibility over is Seminary Extension. I felt a need this past year to re-organize and rethink an Seminary Extension Program. You'll find the report of Seminary Extension on page 28. We enrolled 37 students during 1990-91. We need teachers - please see me about qualifications, courses, and times.

It is a privilege for me to recognize two of our students and present their Seminary Extension Diplomas. They are James Bell from Providence Baptist; and Jerry Millwood from Rankin Lake Baptist Church.

Our theme for the annual meeting is "Celebrating the Gifts of Grace." We as an association are surrounded by His gifts of Grace. As God said to Zerubbold, "Not by power, nor by might, but by My spirit says the Lord Almighty". Let's not forget that this great Association is to be led by the Spirit of God - not our Power or Might!

I believe one of God's gifts of grace is His call upon Milton Hollifield to be our Executive Director of Missions. I feel this meeting has shown evidence of a renewed spirit of enthusiasm and cooperation. Milton, I thank God for you and pledge to you my support, partnership, and prayer.

THE EXECUTIVE COMMITTEE REPORT
1991 Report

In October of each year, the Gaston Baptist Association meets in Annual session to hear reports, to worship, and to conduct the business of the Association. In the intervening months, the Executive Committee meets monthly to continue the on-going work of the Association. This committee works hand in hand with the Executive Director of Missions, the Church Development Director, and the other Associational staff and workers, as well as the many committees of our Association. This committee, during the year, receives and acts upon an almost endless flow of information, reports and requests. Some of these require immediate action. The Executive Committee, in its efforts, represents each church and its members in the continuing desire to reach people for Christ through training, conferences, ministries, mission efforts, and much more; and attempts to keep that purpose in mind as it makes it's decisions.

The following represent only a few of the many items the Executive Committee is asked to respond to and did so in the past year:

1. Approved Church Growth Assistance to several churches;
2. Accepted the date of May 17-20, 1992 for a World Missions Conference in the Gaston Association;
3. Supported and encouraged Partnership Work with Indiana Baptists and Sao Paulo Baptists;
4. Referred to DOM Milton Hollifield and the Program committee, a study concerning the possible change of time for the annual meeting each year;
5. Voted to dedicate the 1991 Annual Minutes of the Gaston Baptist Association to Yates Campbell, Robert Edwards, Erlene Hogan, and Hoyle Alexander.

There are many other mission efforts conducted in our own Association which the Executive Committee lends its support to as well.

Perhaps the most visible work of the Executive Committee this year was the recommendation of a new Executive Director of Missions. Our hearts were saddened as we received the retirement plans of Reverend Richard Spencer last October. He had served and led this Association so well. However, our spirits were quickened on July 29, 1991 when the General Board approved unamiously the recommendation of the Search Committee and the Executive Committee to call Reverend Milton A. Hollifield, Jr. as our new Executive Director. We look forward to the leadership he brings to our Association.

Thanks for your trust and support and especially your prayers on behalf of your Executive Committee.

SEMINARY EXTENSION REPORT
1990-91

Seminary Extension in Gaston Baptist Association experienced a good year in 1990-91. A total of 37 persons enrolled in one or more courses through the center last year. Four courses were offered. Classes met each Monday evening at the Baptist Building for 9 weeks per class. Leland Kerr is Seminary Extension Director.

The Seminary Extension center represents a cooperative effort between Gaston Association and the six Southern Baptist seminaries to provide ministry training in this area.

More than 75 courses are now available from the Seminary Extension Department. Individuals concerned with strengthening their ministries can take these courses either in an extension center or by correspondence study.

The following courses are planned for 1991-92:

April 6, 1992 - TH 0201, New Testament Theology
July 13, 1992 - PM 0250, The Pastor As A Person
October 5, 1992 - CH 0212, History of Christian Thought

EVANGELISM COMMITTEE REPORT
By Bob Bodenhamer

Your Evangelism Committee continues to work hard and meet monthly to plan and evaluate the work of evangelism in Gaston Baptist Association. As stated in the "Facing the 90's" Strategy Plan for our Association,

the evangelism committee serves "to promote and coordinate evangelistic opportunities in behalf of Gaston Baptist Association churches and their staff." This was accomplished in some specific ways in 1990-91:

1. By action of the messengers in our 1990 Annual Meeting an "Associational Prayer Coordinator" was to be selected from the members of the Evangelism Committee. Mr. George Clayton, a member of this committee, has been our Associational Prayer Coordinator this year. His reports follows this one.
2. Our Annual Associational Evangelism Conference and Rally was held on Monday, February 18, 1991. This event was led by Dr. Alastair Walker, pastor of First Baptist Church, Spartanburg, South Carolina, and three of his staff members.
3. Our annual Youth Evangelism Night was held on Thursday, March 14, 1991, at Catawba Heights Baptist Church. Over 800 youth, parents of youth and youth leaders were present for the program of music and drama by the Jeremiah People.
4. An evangelism/church growth conference entitled "Hos to Build a Magnetic Church" was held on Tuesday, March 19, 1991 by Dr. Herb Miller, Executive Director of the National Evangelistic Association.
5. Our association entered a partnership this year with the Northeastern Baptist Association of Ft. Wayne, Indiana. Leland Kerr went to Ft. Wayne in March to help them with a New Work Start "PROBE." A simultaneous revival project was held in May with Northeastern Association. Ten pastors from our churches held revivals in ten of their churches. Rev. Jim Lowery went to Ft. Wayne to lead an Evangelism Workshop. Fifty one youth and adults from nine of our churches went there in July to conduct a mission trip to begin a new church in Decatur, Indiana.

What a wonderful year of evangelism and prayer opportunities. Plans are being made for next year's evangelism emphases which will include:

February 24, 1992 - Evangelism Conference & Rally

PRAYER MINISTRY

By George Clayton

On a recommendation from the Evangelism Committee in October 1990 after Gaston Baptist Association adopted the formation of a prayer ministry for our association. The purpose of the prayer ministry is to promote and coordinate prayer throughout our association. The Evangelism Committee was to choose one of its members to act as associational prayer coordinator. The Director of Missions, Leland Kerr, and Dot Allred serve along with the Prayer Coordinator, George Clayton, to form the prayer ministry planning committee.

We requested that each of our churches select a prayer coordinator to work with us. To date we have 38 churches that have responded. We have prayed together, shared our burdens, and asked God to show us how to make our churches "houses of prayer." Some of our meetings have been associational wide and held in our associational building, while some others have been held in churches for that particular area.

There has surgaced a real desire in our meetings to really know God and we are asking him to lead us into a more effective prayer ministry in all our churches. It is not our intention to develop the same type prayer ministry in every church, but to give resources and skills to increase the prayer ministry that you already have. We are learning from one another and encouraging one another.

We are pleased with the interest shown by your coordinators. Our greatest delight has been our Lord's presence. He is leading this prayer movement. Will you pray for us and help us? We need each other.

Food Orders	1038
Clothing Orders	693
Medication	366
Utilities	523

TOTAL	2810

Thanks for helping to keep the food pantry and clothing room productive. Your participation enables us to help the above number of families each year. Your contributions to the food pantry have made it possible to help many more families than ever with food orders. If you have questions concerning how to involve your church in Church and Community Ministries, do not hesitate to call me and I will help in any way I can.

To the faithful volunteers who come to the Baptist Center each week to work, we say a special thanks. Your generousity of time is invaluable to the work of the center. Every hour of time that is given does make a difference.

SUMMER MINISTRIES

It was a joy to work with Lauren Lee, Dallas Baptist Church, and Kim Waldrup Catawba Heights Baptist Church this summer in the Church and Community Ministries summer missions program. Even though the summer was very hot they pulled together 7 Backyard Bible Clubs to minister to 150 unchurched children all across the association. Lauren and Kim also participated in the associational youth mission trip to Indiana where they helped with 5 Backyard Bible Clubs and reached 100 plus children. I appreciated the help of many resource people in the churches for helping us to get into the various communities for this type ministry. I also appreciate Lauren and Kim for the enthusiasm. They did a super job and made the program a tremendous success.

ASSOCIATIONAL MEDIA LIBRARY REPORT
1990-91
Submitted By: Janet T. Michaels

The Media Library for the Gaston Baptist Association experienced a good year during 1990-91. We loaned out over 400 video tapes. We now have more than 1,000 video tapes in our media center.

We were able to add the following resources during this past year:

1. "Kaleidoscope" - The Adult Foreign Mission Study
2. "Models in Ministry" - By Herbert L. Pederson. This is for training deacons in pastoral care
3. "Help, I'm Pregnant" - This is about the ministry of Crisis Pregnancy Centers.
4. "Devil Worship - The Rise of Satanism" - This is NOT recommended for young children. This should be used with teens and adults.
5. "Why R.U." - By Dawson McAllister. He discusses the emotional pain of today's teenagers that leads them to a life of substance abuse.

In April, 1991, I taught **The Medial Library in a Church** for the Baptist State Convention at Caraway.

I was asked to serve as a Regional Vice-President, along with four other ladies across the state, on a State Media Library Organization. We are working as a task force to determine media needs in Southern Baptist Churches in North Carolina.

Thank you for all the support you have given to our resource center during this past year. Please remember to call early to reserve resource materials and equipment.

WOMAN'S MISSIONARY UNION REPORT
1990-91
Submitted By: Sandra Tate

What a wonderful year we have had in WMU for 1990-91 church year. Many opportunities have been given to the churches through which they can minister and also be trained. Our theme for the year was "Empowered." This theme was carried out in many of our events.

Here is a list of the activities that was held this year:

WMU Leadership Conference (2 locations)
Home & Foreign Mission Workshops (held at the WMU Leadership Conference)
Baptist Women World Day of Prayer (eight different locations with more than 500 in attendance)
Baptist Women's Activity with Shelia Black as guest speaker
Prayer Retreat led by Jennifer Dean of the Home Mission Board (sponsored by the Baptist Women, Baptist Young Women, and Brotherhood of Gaston Association)
Baptist Young Women's Activity - "How to Take Care of Yourself While Taking Care of Everyone Else" led by Susan Allred.
Appreciation Dinner for Acteen Leaders
Appreciation Dinner for GA Directors and Leaders
Associational Studiact Recognition Banquet

GA Skating Party
Mission Day Camp for GA's at Camp Rotary
Associational WMU Annual Meeting with Sara Snell as guest speaker

This has been an exciting year in WMU. I have enjoyed serving these past four years as the WMU Director of the Gaston Baptist Association.

I know that greater things will be happening in WMU as we continue to be "Empowered" by the Holy Spirit and we let Christ lead us.

Please call on the Associational WMU Council if you need help in any area of your WMU work.

MISSIONS COMMITTEE REPORT
October, 1991
Submitted By:
Maurice DeFoor, Joe Drum, Connie Atkins, Gary Boling, Kerry Clippard, Doug Bryant

The Lucia Baptist Mission baptized 31 people during the past year. The mission now has 134 members. A second mobile unit has been added in order to provide more space. Two worship services are necessary each Sunday morning. The mission is planning to build as soon as possible. Church planter, Michael Davis, is the pastor.

New Faith Baptist Church of Stanley continued to grow steadily this past year. The Sunday School enrollment increased from 44 to 99. The process of securing a loan and permits to build has been very lengthy. Pastor Joe Drum reported that work on the new building will start soon.

Steve Gregory, bi-vocational multi-unit church planter for the Creekside Mission, has found many ways to share the love of Jesus in the Creekside Mobile Home Park.

Hampton Woods Mission has called Brian Wright Chepery as pastor. Brian comes from the Southwestern Baptist Theological Seminary.

The Mission Committee has asked that our Director of Missions put together a handbook that provides a step by step procedure for a new church or mission to follow in order to build a new building (land, loan, blueprint, building permit, etc.)

The following missions and churches have been recommended to the Baptist State Convention for Church Growth Assistance for the year 1991-92: Maranatha, Creekside, New Faith, Sunnyside, Lucia, Hampton Woods, and New Beginning.

REPORT OF THE SUNDAY SCHOOL
By Ronald H. Harrison

"There is a time for everything and a season for every activity under heaven." The ASSISTEAM of Gaston Association has been in training. Our team attended the ASSIST Training Institute at Ridgecrest in February. Our Sunday School Director and Church Development Director attended the Key Leadership ASSIST Conference at Ridgecrest in May. Several churches have utilized the ASSISTEAM's expertise in Sunday School Administration, Outreach, Growth Spiral and other important Sunday School concepts.

There is a time for "BREAKTHROUGH" ... April 6 through 10 was the date of our association wide "Breakthrough Sunday School Growth Campaign." Fourteen churches participated in this event and God blessed:

New Prospects found	3,479
Scriptures Distributed	993
People Search Canvassers	392
New S.S. units started	34
New workers enlisted	75

Praise the Lord for His Blessings!

There is a time for training preparation ... Our ASSISTEAM led in several well attended training events this past year, including the following: Preview of Sunday School Improvements for Pastor's and General Officers and a Sunday School Literature Workshop for all Sunday School workers.

there is a time to look ahead ... in the coming year our ASSISTEAM will be offering several training opportunities in 1992 including: Teaching the "Breakthrough" Sunday School Books, March 16 and 17; Vacation Bible School Clinics, April 23 and May 7; a Sunday School Extravaganza, September 29; and something new - a Sunday School Booster Clinic, November 11. Our goal is to help as many churches as possible, reach as many people as possible through the Sunday School with the Gospel.

There is a time for thank you ... We give thanks to God for a dedicated ASSISTEAM and for encouraging churches. Goethe said "To put your ideas into action is the most difficult thing in the world." This may be true, to an extent. However, working together ASSISTEAM and church Sunday School leadership can take the Gospel into the market place that makes up the Gaston Baptist Association. For this we give thanks to God through our Lord Jesus Christ and thanks to you for your continued support.

Mr. Ken Batts, an associate in the Stewardship Department of the Baptist State Convention of North Carolina, led this inspirational/training event. He introduced the new five year Cooperative Program emphasis "One For All." Approximately 40 persons attended the conference. Our Associational Stewardship Conference for 1992 will be held at Gaston Baptist Building on Tuesday, March 31, 1992. O.D. Martin, Director of the Stewardship Department, will lead this conference on the theme "The Church's Stewardship Ministry."

BROTHERHOOD REPORT

By John Beam

Our Brotherhood Organizations continue to grow in our churches. Leland Kerr and I have had the opportunity to work with over 30 different church brotherhood groups this year in training and speaking events. We remind you that we are available to assist your church.

One of the dimensions of the work of Brotherhood is the work and ministry of prayer. Our Association has an active prayer ministry led by Prayer Coordinator, Mr. George Clayton. Mr. Clayton is also a resource person to help your Brotherhood become involved in a prayer ministry. He can be reached at 825-2210.

I want to express appreciation to the Men's groups who have volunteered for various projects in 1990-91. Thanks men for your help with wood cutting/stacking at the Baptist Center, replacing the ceiling tiles in Associational Building, and volunteer labor/construction at Roberts' Retreat area. Your continued support of volunteer projects enables our Association to enlarge its ministry.

Speaking of volunteers, we still need some in two areas:

1. **Roberts' Retreat area** - we are about a month away from completing the lodge. Please contact me or Wayne Honeycutt to volunteer. Why not bring your Baptist Men out on a Saturday?
2. **Medical/Dental bus** - Our Associational Brotherhood, WMU, Baptist Nurses Fellowship and Church and Community Minister are bringing the NC Baptist Men's Medical/Dental Bus to two locations next month. Please contact me to work in one of the locations:

   Thursday - November 7 - Flint Groves Baptist Church - 8:00 a.m.-8:00 p.m.

   Friday - November 8 - FBC, Stanley - 8:00 a.m.-8:00 p.m.

Our Associational Brotherhood will sponsor a Baptist Pastor from Poland to work in our Association, April 25 - May 3, 1992. Plans are being made now for speaking engagements, a rally, etc. More details later.

I encourage all Brotherhood groups to actively participate in our World Missions Revival next year, May 17-20. This event will enable your men and boys to see and hear about missions up close and personal.

With the Robert's Retreat Area re-opening later this year, we will emphasize Associational RA work more consistently. The Camp-A-Rama, RA Mission Fair/Car Competition, and RA Round-Up are a few of the events planned for next year. More details later.

Let us know how we can support your work. We want to help.

80 professions of faith / 96 rededications / 1 baptism

Last year the prison ministries baptized 27 and had a total of 467 decisions. 283 of these decisions were first time professions of faith.

The Lord has truly used people of Gaston Baptist Association to minister to our jail/prison ministry.

ROBERT'S RETREAT

By Baxter McIntosh

The work on our log cabin is almost completed. As soon as the floors have been refinished we will begin decoration of the house. Volunteers are making curtains for the windows. A committee will be gathering antique furniture and other house articles to give this building an appearance of the era in which it was originally used. Let the Retreat Committee know if you have articles to contribute or if you know of others who might donate antique items. Presently, we plan to use the house for a reception center. Again we are deeply indebted to "Joe" Baily and the team of volunteers who have restored this magnificent facility.

The new fellowship hall (conference building) which is being constructed on the retreat property will hopefully be completed by mid-November. Additional volunteer labor is needed to complete this project. Painting and finish work is all that is lacking on the interior of this building. Kitchen cabinets and electrical fixtures will soon be installed. We are needing a new stove and refrigerator to be donated as well as floor coverings and funding for furniture. A porch and a wood deck have been constructed on the ends of the building. The porch needs to be enclosed with screen wire. We are lacking an additional coat of stain on the building exterior. There is still landsape work, driveway and parking area to be completed.

We are needing someone to construct a small attractive frame structure to house our well pump and water reservoir.

You are encouraged to go out and see our Retreat Area. We are so blessed to have this property to develop and use for years to come. We have unlimited possibilities in how this entire property can be used. As phases of development continue, more and more people will come to appreciate this valuable investment.

THEME INTERPRETATION I

"UNITY" - CELEBRATING THE GIFTS OF GRACE: BIBLICAL BASIS OF PARTNERSHIP PRINCIPLES

I Corinthians 3:9-10

Rev. Milton Hollifield

1. Story of little boy breaking into store through skylight, "Who am I and what am I doing here?"
2. Sometimes as churches we must remind ourselves of who we are and why we are here.
3. This passage of scripture tells us that we are God's people.
4. The Bible uses different terminology to desribe the church of Jesus Christ.
   1) Bride of Christ - *Rev. 21* - Object of his love
   2) Body of Christ - *I Cor. 12:12-13* - How he does his work
   3) Building of Christ - *I Cor. 3:9b & 16* - Where He makes himself known
5. In studying this chapter under consideration I discovered that it is filled with "you are's"
   1) *3:9 - You are God's husbandry* - garden
   2) *3:9 - You are God's building*
   3) *3:16 - You are God's temple*
   4) *3:23 - You are Christ's*
6. In *3:5-9a* - Paul describes the process of people working together to farm a piece of land
   1) One person plants the seed
   2) Another person waters the seed
   3) But it is God who breathes life into the seed and enables it to grow
7. Our ministry as Christians is both individual and collective.
   1) We must personally accept Christ and serve Him.
   2) We must join hands together if we are to accomplish His work.
8. Notice in *3:9 - We are laborers together with God.*
9. In *3:9-16* Paul describes the work of God as group of builders cooperating together to build a structure.
10. We recognize that when a building is constructed it requires the cooperation of numerous people with a variety of skills working together in order to complete a task.
11. But no matter how detailed the plans or how skilled the craftsmen may be ... if the structure is not built on a solid foundation it will crumble and collapse.
12. We know that the foundation or bedrock of all of Christianity is Jesus Christ. *Matt. 16:18*
13. In building this eternal structure of God, which we refer to as the church of Jesus Christ, we must cooperate together.

14. Jesus came into this world to redeem us from sin and give to us eternal life in order that we might live to *glorify Him.*
15. He has commissioned us to reach the inhabitants of this world with God's message of redemption.
16. This task, this assignment, this commission is far too great for one person or one group to do it alone.
17. He has placed His spirit within us to enable us to do His work.
18. We are co-*laborers together with God.*
    Isn't that amazing?
    Isn't that fantastic?
    God has made us *His* partners in the faith.
19. The basis of our Partnership is two-fold.
    1) We each belong to Him.
    2) He enables us with spiritual gifts of grace.
20. WE ARE PARTNERS IN FAMILY RELATIONSHIPS
    1) We are blood brothers and sisters
    2) We have been washed in the blood of Jesus
    3) As children of God His rich royal blood flows through our spiritual veins
21. WE ARE PARTNERS IN REACHING THIS WORLD FOR CHRIST
    1) He has gifted us with spiritual gifts
    2) He has brought us together
    3) He has called us to a particular task
22. Throughout the history of the spread of Christianity God has used His people laboring together for His cause.
    1) Beginning with the expansion of God's church from Jerusalem, over into Judea then to Samaria and onto the fartherest parts of the world - God has been at work
    2) Through God's people laboring together God's church spread from the mid-east throughout into Europe
    3) The expansion continued from England over into the new colonies in America
    4) It moved southward eventually to an area in North Carolina now called Gaston County
    5) The Long Creek Baptist Church was established in 1772
    6) And then in 1853 the Bruington Memorial Baptist Church was established in what was then called Brevard station
    7) In 1919 GBA was organized with 26 churches
23. Now in 1991 as an association, we are 113 churches strong including our missions.
24. In 1988 we established a partnership work with Sao Paulo Brazil.
25. Now we have added a partnership with Northeastern Association in Indiana.
26. In future days we shall continue to establish mission partnerships.
27. Locally, we are a partnership as an association of churches. Our task is to reach this county for Christ.
28. The work is too great for one church. We must link hands and hearts together. We must combine our financial resources. We must share our skills and spiritual gifts.
29. WE ARE PARTNERS IN RELATIONSHIP
    WE ARE PARTNERS IN RESPONSIBILITY
    WE ARE PARTNERS IN REJOICING
30. Paul says in II Cor. 5:1-2 - *"For we know that if our earthly house of this tabernacle were dissolved, we have a building of God, a house not made with hands eternal in the heavens. For in this we groan ernestly desiring to be clothed upon with our house which is from heaven."*
31. One day in the future we know that this world, as we know it now, will pass away and we will live with God forever.
32. In partnership we shall join our hearts together and worship the Lamb of God throughout eternity as the people of God.
33. But until then we must labor together to fulfill His will and plan.
34. The poet said, *"Only one life, twill soon be passed. Only what's done for Christ will last."*
35. Closing:
    Story is told of a small child who wandered away from home in a mid-western state.
    The cold winter season would soon claim the life of this precious child if it was not soon rescued.
    The call for help was sounded. Neighbors and passerbys came to help search.
    They walked the fields where the undergrowth and vegetation made it impossible to see.

Finally, when after hours of desperate and unsuccessful searching, someone said, "Why don't we join hands and walk across these fields?" So they did.

Eventually, with hands clasped together as they walked together and searched together someone made the discovery of the child.

But by then, it was too late. Someone picked up the lifeless limp body of the child who had already died from exposure.

As the heart broken crowd slowly dispersed, someone was overheard to say, "Why didn't we join hands sooner?"

36. People of Gaston Baptist Association - *My people,* we must join hands and hearts together now if we are to rescue the perishing.
37. We are laborers together with God. We are partners in the faith.

THEME INTERPRETATION II

"GIVING" - CELEBRATING THE GIFTS OF GRACE: PARTNERSHIP SAO PAULO, BRAZIL

Acts 16:9-10

Rev. Raymond White

From Acts chapter 16 we find this message:

> "One night while Paul was in Troas, he had a vision. There was this Macedonian standing there and he kept pleading to Paul, 'come over into Macedonia and help us.'
>
> As soon as Paul had this vision, we all were convienced that God was calling us to preach the gospel to them, so we set about getting passage to Macedonia."

I approach this passage, not from a geographical point of view. Nor do I approach it from a theological point of view. Rather, I approach it from what I consider to be an ethical point of view.

The question that Paul faced was what must he do as a believer in the Lord Jesus Christ concerning the request that he had received from the Macedonian.

Paul was not free to deal with it geographically. Because Jesus had already done this. In the 28th chapter of Matthew Jesus speaking to those following him, said, "All authority has been committed to me; therefore, go ye into all the world."

Paul was not free to deal with it theologically. Because Jesus had already done that. Jesus says in John chapter 10, "Other sheep I have which are not of this fold."

It was not a question of *could he go* or *should he go,* if was a question of *would he go.*

Four years ago, we as an association voted to enter into a partnership with a baptist association in Sao Paulo, Brazil. We have had three different teams to go to Sao Paulo. Forty-eight different people from twenty different churches in our association have gone. We have had fifteen pastors from our association to go. *And this has been great!* And it really sounds good until we talk about having some thirty-four thousand resident members in the Gaston Baptist Association.

Our Partnership will conclude with a final trip to Brazil in November of '92. The request has already been received for fourteen teams. They would gladly receive more.

The group from our Association will leave Charlotte on Thursday afternoon, November 5, 1992. I pray that you will have a vision, like unto Paul's, of a Brazilian calling out to you to come to Sao Paulo with the good news of the gospel of Jesus Christ.

And after having the vision, you will respond exactly as Paul and his associates responded. Notice the language in Luke's accounting of the event: "And after he had seen the vision, we were all convienced that God was calling us to preach the gospel to them, so we set about getting passage to Macedonia."

Notice the "we" language. Luke was no idle bystander. Along with Paul, he received the call from God to preach the gospel to the people in Macedonia. He too stood ready to go. He did not simply stand behind Paul, Silas, and Timothy - he stood with them.

Tonight I challenge you to not be an idol bystander while we complete our Brazilian Partnership. I challenge you to be a member of the team that will go in '92.

Knowing baptists, I know exactly what many of you will say. You will say, "I will pray about it." But when it comes to the Great Commission, what is there to pray about? It isn't an option - it is a divine imperative!

When all the good baptist reservists received a call to go to the Persian Gulf, how many of them responded by saying, "I'll pray about it"? They went. They didn't see it as an option. Therefore, why do we see everything that Jesus commands of us as being an option? Jesus says, "Go"!

You face the same ethical question that Paul faced in Troas. As a believer in the Lord Jesus Christ and as a

member of his church and as a member of this association, what are you to do?

It is not a question of what you should do or could do, it is a question of what *you will* or *will not* do.

Notice the rapid-fire language in verse 10. It is as if Paul was aroused from his vision; roused his companions; and at once they began making plans to go to Macedonia.

Pastors, rouse your congregations! Laypeople, rouse your pastor! Rouse your friends! And begin making plans to go to Sao Paulo in '92.

If God would share with you the key that would unlock the mystery to the cure of all types of cancer, could you justify not sharing it by saying, "It is not convient for me to do so right now?" Could you justify not sharing it by saying, "It is not economically feasible for me to do so right now?"

I believe it would be unethical for you to hold within your heart and mind the key that would unlock the secret for the cure of cancer.

God *has* shared with you the secret as to the source of healing power for a lost and broken world. And for you to refuse to share it among a people who are so open to it and who have issued a Macedonian call - is unethical.

God has given you the gift of his grace. Celebrate it by giving 14 days of your life for an experience that you will never forget nor ever regret.

THEME INTERPRETATION III

"LOVE" - CELEBRATING THE GIFT OF GRACE: INDIANA PARTNERSHIP

Acts 16:9-10

Rev. Leland Kerr

Last night Raymond White did an excellent job sharing with us and challenging us to see this passage from an ethical stand point. How can we not hear and respond to the Macedonia call?

Our Association heard the call to come to Indiana. How did we hear the call?

1. Friendship between Bruce Bradley and Clarence Smith.
2. Idea started while Clarence was in Nevada.
3. He moved to Indiana and contacted Richard Spencer.
4. Richard Spencer went to Indiana in spring of 1990 to discuss partnership.
5. At last year's annual meeting a recommendation was accepted and approved from Evangelism Committee and Mission that Gaston Baptist Association and Northeastern Baptist Association enter into a partnership.
6. At about the same time Northeastern Baptist Association approved partnership.
7. The first phase of Partnership was my flying to Ft. Wayne to help with a New Work PROBE.

   I was overwhelmed that their Association covered 9 counties, 600,000 plus population and had only 17 Southern Baptist Churches and missions.

   I saw people everywhere. T.B. Smith and I went to 3 or 4 Multi-Family housing areas some with over 5000 residents and no church of any kind nearby.
8. Second Phase - Simultaneous revivals held in 10 churches in Northeastern Association by 10 of our Pastors last May.
9. Third Phase - Mission Trip - 51 youth and adults from 9 of our churches went to Ft. Wayne and Decatur for a week of mission work which included 4 days of travel (to and from(
   1. Leading two worship services in two churches.
   2. Outdoor service at Wal-Mart.
   3. Five Backyard Bible Club sites that enrolled over 100 children.
   4. Door-To-Door visiting that covered over 600 home.
   5. A four night tent crusade in Decatur to help start a new church.

      Eight of our youth made full-time Christian ministry commitments or short-term mission volunteer commitments.
   6. One afternoon of relaxation and fun as we went to an Amish Farm.
10. Fourth Phase - Our Executive Director of Mission went to Indiana for their Associational Meeting last week.
11. Fifth Phase - T.B. Smith and Clarence Smith are with us today.

WHAT ARE THE NEXT PHASE: *Eph. 3:20-21*

We cannot grasp all that God can do - it is immeasurable. Yet he works in and through us!

OUR FUTURE PLANS WITH NORTHEASTERN:

1. Adult Mission Trip
2. Sunday School Growth Campaign
3. Association Youth/ Adult Mission Trip - July 24 - August 1, 1992

   I'm praying for 75 from GBA!

What are your future plans?
What will you do individually?
Have you seen the vision and heard the call for help?

THEME INTERPRETATION IV

"JOY" - CELEBRATING THE GIFTS OF GRACE: ROBERT'S RETREAT

I Timothy 5:8

Rev. A.A. Bailey

Joy comes with Jesus first, others second; and yourselves last. The poet said: "I've tired in vain a thousand ways my fears to quell my hopes to raise, But all I need the Bible says is Jesus". The text for this theme is I Timothy 5:8 - "If anyone provide not for his own - his act believes his claim to the faith and is worse than an unbeliever." The verb provided in this text comes from the Greek word pronoei and means to plan ahead.

Missions begin at home - but don't end there. If you were to apply to a mission board to be a missionary, one of the first questions you would have to answer: What are you doing at home?

The text emphasizes "his own" and then says that if the Christian does not plan ahead he or she does not practice what he or she preaches.

In light of this I am to interpret our theme with application to our Gaston Baptist Associational Retreat. I have a history of emphasis on foreign missions and may make a statement that will disturb some. It is possible that we are sending money outside Gaston County that ought to be spent in the county.

In 1940 I started going to Ridgecrest for retreats and then to Fruitland, Seaside, Caswell, and Caraway. I went to Paraquay with Russell Willis to work on a Baptist Camp. I learned from Missionary John McGee of Africa that there is an important place for camp and retreats.

Due to numerical and economical limitations at other places, we need camp and retreat facilities in Gaston Baptist Association NOW!

As for the potential: there is not a finer trace of one hundred acres of land on the face of the earth: streams, lakes, trails, with a potential of lake for swimming, fishing, and boating to compare to Robinwood.

The new multi-purpose building and log house are about ready for dedication and use.

The log house is one of the finest anywhere, and the cost of restoration was extremely reasonable. Some twenty eight people have worked on the building. You will have to see the log house to appreciate it. It is the focal point at entrance and could serve as a reception center with historical records, documents, pictures, and appropriate furniture. We now have two trunks, two church benches, swing, oil lamp, lantern, andirons. The committee will be receptive to your appropriate gift.

There are boys and girls who may never be saved or who may never know God's will in service except as we develop and use the Gaston Baptist Retreat.

ANNUAL SERMON

"SEVEN THINGS CORRUPTING AMERICA AND WHAT GASTON BAPTIST CAN DO ABOUT IT"

Rev. Keith Love
Second Baptist Church
Cherryville, North Carolina
II Timothy 3:5,7

II Timothy 3:5,7: V-5, Having a form of godliness, but denying the power thereof, from such turn away. V-7, Ever learning and never able to come to the knowledge of truth.

I. POLITICS WITHOUT PRINCIPLES.
   A. Our country has always had a problem with impure men in leadership. There is much going on in Washington that can't be talked about for fear of people negating what is going on.
   B. There are in the religious world, immoral, deceitful, untrustworthy people in the Church making a mockery of God.

II. PLEASURE WITHOUT CONVICTION.
   V - 4, Lovers of pleasure more than lovers of God.

III. KNOWLEDGE WITHOUT CHARACTER.
   Ever learning and never able to come to the knowledge of truth. Character is built in a lifetime. We learn character by experience, by heartaches, by tears, by the word of God.

IV. BUSINESS WITHOUT MORALITY.
   There was a time when a man's word was his bond. Contracts don't mean anything anymore, courts

seem to support the offender instead of the offended one. This is wrecking our country.

V. SCIENCE WITHOUT HUMANITY.

Today we possess the ability to destroy the world. Science without humanity. What would happen if the United States and Russia were to go to war?

VI. CHURCH WITHOUT EVANGELISM.

If our churches would use the method of contacting people that politicians do we could reach the world for Christ.

VII. WORSHIP WITHOUT SACRIFICE.

Righteousness exalteth a nation, and sin is a reproach to any people.

If God should give us a few more years I believe we will see things we have never seen before, but not without hardship, not without sacrifice. Sin is raging and hell is enlarging itself.

Gaston Baptist, we can't stop here, it's harvest time. Danger, adverse condition nor oppositions are to stop us.

It is harvest time, Psalms 126:5,6. The Lord of the harvest is expecting his people to go forth. The early church heard and accepted it very kindly.

Every Disciple should be a soul winner, every Christian an evangelist, every believer a missionary.

James 1:22, Be ye doers of the word and not hearers only.

Isaiah 52:11, Be ye clean that bear the vessel of the Lord.

Acts 1:8, Ye shall receive power after that the Holy Ghost has come upon you and ye shall be witness unto me.

Isaiah 55:11, So shall my word be that goeth forth out of my mouth. It shall not return unto me void, but it shall accomplish that which I please, and it shall prosper in the thing whereto I sent it.

John 12:32, Jesus said, and if I be lifted up I will draw all men unto me.

Jesus, God's gift, our friend, John 3:16

John 6:28, Jesus said, I come down from Heaven, not to do mine own will, but the will of him that sent me.

Matthew 20:28, For the son of man come not to be ministered unto, but to minister and give his life a ransom for many.

Romans 5:8, God commended His love toward us, in that, while we were yet sinners, Christ died for us.

He was a human child and also a divine son.

He was wounded by satan and at the same time crushed satain. He was the Savior of men yet crucified by man.

He was truth, yet accused of being a liar and a hypocrite.

He had no sin in him, yet all sin was on him.

He saved others yet he did not save himself.

He was both Son of Man and Son of God, Christ Jesus, God in the flesh.

As man he wept at Lazarus grave, as God he called him back from the icy fingers of death.

As a man he fell asleep on the deck of a ship; as God he rebuked the storms.

As man he said, I thirst, as God he opened up the gushing fountains for sin and unrighteousness that still flow through the house of David.

As man he went hungering to the fig tree; as God he cursed the fig tree and it died.

Every man in the world can be matched with an equal; Martin Luther was a great preacher but John Wesley was just as great. Napoleon was a great general, but he met his match at waterloo in Wellington.

You can even match Peter with Paul. But when you say the name Jesus, There is none to stand beside him.

Jesus is the son of God and will preside in the judgement.

II Chronicles 7:14, If my people which are called by my name shall humble themselves and pray, and seek my face and turn from their wicked ways then will I hear from Heaven, and forgive their sins, and heal their land.

Righteousness exalteth a nation, but sin is a reproach to any people.

IN HONOR OF

DELENE RUSSELL

At the annual meeting of the Gaston Baptist Association held in October 1980, the Executive Committee reported that Delene Russell had been employed as Caseworker for the Association. Minutes of the Association for the year ending September 30, 1980, reported that 1,460 families had been given assistance during that year. In September 1992 the Book of Reports showed 2,832 families had been helped this year . . . an approximate doubling of the number of families to whom the Association ministered through the Baptist Center.

In 1980 Delene was no newcomer to Gaston Baptist life. She had grown up in the Fairview Baptist Church and after establishing her own home was a member of Temple Baptist Church. When the family bought a home on Anthony Drive the family became members of Chapel Grove Baptist Church. She also served in the Association as WMU Director for five years.

For several years before coming on the paid staff at the Association, Delene was a volunteer at Temple church, at the May Street site of the Baptist Center and at the "Green house" on Cedar Street. She volunteered one day a week at times and several days a week at other times. She did some volunteer work with the staff at the Baptist building and in time was employed part-time to assist with typing and general office routines. She watched Jerry Strickland, Kitty Keaton, Lou Lethco and Wilma Stinnett as they did part-time case work with the Christian Social Ministries department. After Wilma's resignation Delene became CSM Caseworker, working closely with Yates Campbell, CSM Director.

Delene Russell's spiritual giftedness as a caregiver enabled her to be a sensitive, responsive care-giver for Gaston Baptists as she met the people each day who came to the Baptist Center on Rankin Lake Road. She delivered the love and concern of Baptist people through distribution of food, clothing, medicine for life-threatening health problems, and by meeting other diverse needs. Sometimes the help given was through "just listening" as someone unloaded a heavy burden.

From her first part-time hours in the work until she closed the file drawers and cleaned off her desk on August 13, 1992, when she retired, she delivered the "piece of bread" and "cup of cold water (or milk)," in His name for Gaston Baptists.

Delene and her "proud to have her home" husband, Dennis, have five children: Robyn Miller, Jeni Russell, Ronda Freeman, Kim Birskovich and Kelly Nichols. There are nine grandchildren who will be getting more priority time with a much-loved grandmother.

A CONCISE HISTORY OF THE NEW HOPE BAPTIST CHURCH

The New Hope Baptist Mission was organized under the leadership of the Rev. T. L. Cashwell, S and the membership of East Baptist Church of Gastonia, N.C. East Baptist Church purchased an o frame building from Mr. W. A. Sahms located at the corner of New Hope Road and Pineview Lane. C the first Sunday of November 1953, the New Hope Mission had its beginning with the meeting of 3 people.

The first pastor, Rev. Robert Fountain Summey, Sr., came to the mission the first Sunday December of 1953 and was officially called as pastor the first Sunday in January of 1954. The missi became a Church on June 26, 1955, with 122 charter members.

In 1957 East Baptist Church purchased approximately three acres of land on New Hope Road fro Mr. and Mrs. James A. Cobb and family. The membership of the Church also talked with the Cobbs a purchased another approximately three acres. In 1961 the Cobbs made available to New Hope Bapt Church, at very favorable prices and terms, the balance of the acreage now owned by the church. T total acreage presently consists of approximately 28 acres.

On the present site, the church built an Educational Unit that served also as a place of worship. T cost of this unit was $100,000.00 and in 1958, appropriately named, "Cashwell Hall." On June 8, 19 construction was begun on the second unit consisting of the chapel and office areas. This new unit w completed and dedicated on August 18, 1968, at a cost of $25,000.00.

Designed for multipurpose use, the new addition features dining area with space for 225 people tables or 300 people seated theater-style (this area has a stage for drama use), a large commercia equipped kitchen, a parlor for use as a small meeting room, a nursery for use during night services a Children's Church, and Administrative Office suite and a corridor which connects the new additio the two other buildings. The cost of this building and recent renovation is approximately $1,000,000.

Phase 2 will include complete gymnasium facilities, costing in excess of $600,000.00. Following t initial recommendation of the present pastor, Rev. Ned A. Buckner, today we are officially naming t complex the Robert F. Summey, Sr. Family Life Center.

Rev. Buckner observes: "The heritage of New Hope Baptist Church is one of sublime vision a realistic commitment, guided by a continuing awareness of the "Good News" of God's Love for creation. Let us keep that heritage alive by investing in it with our lives, our fortunes, and our God-giv ability to dream new dreams."

LONG CREEK MEMORIAL BAPTIST CHURCH

The exact date of the organization of Long Creek Baptist Church is unknown. Available records ention re-organization in 1772 and existing records date from that time. Prior to 1772 the history of e church is traditional with grave markers in the cemetery dated as early as 1728.

During these early years meetings were probably in a brush arbor and the first church building was ade of logs, about 20 x 30 feet in size, with a stone foundation and chimney. It had a clapboard roof th hewn log benches.

In 1794 the Elders of the church were listed as Lemuel Sanders and Charley Jones and Deacons ere Samuel Swearington, James Weathers, Julius Holland, Isaac West and James West.

Up until about 1820 the church services were conducted by lay members; then many different astors served the church in the following years. The church grew from eleven members at the re-ganization to 299 members in 1864. Then war came to the area and from November, 1864, to March, 866, only one item was recorded in the minutes: "The distracted condition in the country, war is raging, o records were kept for the year 1865, though A. J. Cansler preached to the church during the year."

After the war with the Rev. G. M. Webb as pastor, the church struggled for survival. Along with the astor, a faithful member of the church, Lavinia Baldwin, prayed earnestly for a re-awakening of the hurch. The old log church had served well but was in a state of disrepair and they came to believe that new church building would revitalize the people. Mrs. Baldwin was a woman of great faith and etermination. After asking God's blessings on her efforts, she rode her mule over the countryside, siting the members, getting contributions and pledges for a new church building "with glass windows". protracted meeting was held, the church revived, and in 1881, close beside the log church, the new hurch building was built. It was a white frame building with glass windows.

In 1920 under the leadership of the pastor, Dr. Judson L. Vipperman, a short distance up the hill from e white frame church, a large brick building was erected with beautiful memorial stained glass indows. The word "Memorial" was added to the name of the church - the new building to stand as a emorial to the founders and members of the church who had shown their love, loyalty and courage maintaining the church through the years. So it became Long Creek Memorial Baptist Church.

In 1967 the sanctuary was renovated with a new baptistry and choir loft. Wall to wall carpet was stalled and the curved pews refinished. Then in 1977 a new facade was added featuring a porch with hite columns and a tall spot-lighted steeple.

While we have detailed above physical changes and growth of the church over the years — giving ates and descriptions of the church buildings that have served as places of worship over these more an 200 years — the church is and always was the dedicated body of believers who in all the past and resent years served so faithfully in the work of God's kingdom.

The Executive Committee
Gaston Baptist Association
Gastonia, North Carolina

We have examined the General Fund Statement of Cash Receipts and Disbursements for the Gaston Baptist Association for the year ended September 30, 1992. Our examination was made in accordance with generally accepted auditing standards and, accordingly, included such tests of the accounting records and such other auditing procedures as we considered necessary in the circumstances.

As described in Note 1, the Gaston Baptist Association's policy is to prepare its financial statements on the basis of cash receipts and disbursements; consequently, certain revenue is recognized when received rather than when earned, and certain expenses are recognized when paid rather than when the obligation is incurred. Accordingly, the accompanying financial statement is not intended to present financial position and results of operations in conformity with generally accounting principles.

In our opinion, the financial statement referred to above presents fairly the General Fund Cash Position arising from cash transactions of the Gaston Baptist Association, for the year ended September 30, 1992 on the basis of accounting described in Note 1, which basis has been applied in a manner consistent with that of the preceding year.

Replace Paragraph 5 - Missions Committee Duties:

The Missions Committee shall develop, implement, and assist churches in the association in a progressive program of a total study of all types of missions. It shall determine the need of new mission points within the boundaries of the association and leadership and guidance in establishing and shepherding them into full church status. It will be charged with monitoring the activities of churches and missions seeking membership in the association to determine their readiness for full membership and report this to the Executive Committee for action.

BY-LAW VIII - EMPLOYMENT PROCEDURES

1. When it becomes necessary to fill the position of the Executive Director, Church Development Director, or Missions-Ministries Director, the Executive Committee shall appoint a search committee composed of the Personnel Committee (sub-committee of the Executive Committee) augmented by four persons at large approved by the Executive Committee. This committee of seven shall screen candidates seeking employment for the position and inform the Executive Committee of their choice. This person will then be interviewed by the Executive Committee, who if the candidate is found acceptable, will recommend the candidate to the Association Board for employment.

EXECUTIVE DIRECTOR OF MISSIONS REPORT
to the
ANNUAL SESSION - 1992

My family and I have been a part of Gaston Baptist Association for over ten (10) years. September 1, 1992 marked the beginning of my second year as your Executive Director of Missions. The differences between my work formerly as a Pastor and now as a Director of Missions have been even greater than anticipated. This has been both an exciting and challenging year. I am grateful for the opportunity to serve our Lord and the churches of this Association in this capacity. This transitional year has been a time of education for me as I have learned and shall continue to learn about the work of missions both in and through an association of Baptist churches. It has been exciting, informative, encouraging and challenging to visit in and work with our different churches. My love for the pastors and leadership of our churches continues to grow as I get to know these individuals in developing relationships. We are blessed to have not only good vocational leaders but also a vast resource of talented lay people who are dedicated to Christ and His church. Without these folks we would not exist.

This has been a very busy year for me. I have visited in sixty-six (66) of our churches and worked with leadership in thirty (30) additional churches of Gaston Association. Much time has been spent in conferences and committee meetings. Significant time has been spent in field work with our present churches, prospective new work, and Roberts Retreat development. The Home Mission Board and the Baptist State Convention of North Carolina also encouraged me to participate in several conferences for directors of missions. It is obvious that our convention is changing the role of the local association by increasing our liaison responsibilities between local churches and the convention. In addition to my work with Gaston Association, I have been privileged to serve with the General Board and Executive Committee of the Baptist State Convention of North Carolina. My work with these groups and other state level committees is beneficial to our Association because of established relationships with Convention leaders. I have learned much about the process and programs of mission efforts at the local, state, home and national levels. I have also discovered that Gaston Association is well known and respected in Southern Baptist Convention work.

We have observed some staff changes in this past year. In January, Leland Kerr resigned to become Director of Missions for Kings Mountain Association. In August, Delene Russell announced her retirement as our Crises Center Coordinator, and in September, Janet Michaels, our Bookkeeper, went to work with the Social Services Department of Gaston County. We owe a debt of gratitude to each of these individuals for their contribution to this Association. Floyd Parker, our new Church Development Director, is aboard and doing a fine job. We are blessed to have him on staff. He will be a great asset to this Association. I appreciate so very much our support staff and volunteers. It is a joy to work with them. They are dedicated to Christ and this Association. Our vacant staff positions are being filled with temporary employees while I, along with the Personnel Committee, evaluate our staff needs both for present and future development. Please be in prayer about this matter. Personally, I see a great need for a full-time Church and Community Ministries Director who can also do counseling with families of our Association. This would enable us to begin some new community ministry programs and strengthen our existing ministries. However, this will require additional undesignated financial support from our churches if this staff position becomes a reality. Overall, our churches do an outstanding job in total financial support of association missions. However, in this past year, $88,483.73 or 22% of receipts from our churches were designated to specific association causes. Recommendations regarding staff replacement for existing vacancies are forthcoming. It is also my intention to utilize more volunteers to assist in association work. I want our church families to learn more about all that is being done through association missions. As they do they will recognize its value and worthiness of their financial support. We are here to help churches accomplish their individual purpose and mission. You are the Association. Your church's financial contributions are very important to our support. This enables us to fulfill the Great Commission here in our home county.

As we step into this new year, let us do so with a sense of hope, expectancy and determination. We have a great spirit of cooperation among our churches. I am so grateful for this when I reflect on the estrangement which exists in some other associations. We do have diversity, but this can exist without conflict and broken relationships when we allow Jesus to be Lord of our life. Let us minimize our differences and maximize our commonalties, without compromising our personal convictions, as we live out the testimony of God's amazing grace and share the love of Jesus with the lost souls of Gaston County. Our "global missions" endeavors must begin here and extend around the world. I believe the participation of our churches in the recommended program of "MISSION VISION: GASTON COUNTY" will draw our churches closer together and strengthen our cooperative efforts of missions, evangelism, and ministry. We are 41,000+ strong in membership. We can make a difference in our society.

Our Church Development Director and I have developed a workshop format in which we are planning to meet with groups of churches in our Association. In these workshops we will address how the Association staff and leadership is available to assist churches. We will also give opportunity for you to share your concerns and needs with us. We shall appreciate your suggestions. We want you to realize the value of your church in your local community. Christ is still desirous that it be a beacon of His light shining in a world of darkness where people so desperately need to know of Him and His love. If your traditional approaches are not effective in reaching people, ask God to enlighten you with some new ways to reach out to people in your community. Churches must determine to evangelize and grow or they will decline. The population of Gaston County continues to multiply. Commercial and residential development is scheduled to increase. "The fields are white unto harvest." The opportunities before us are beyond measure. We have a gospel that is relevant in contemporary society. It will meet the needs of people if we reach them. That's missions. That is what we are all about. That's why the Southern Baptist Convention as well as the Gaston Baptist Association was formed. We are missionary Baptists. *Increase your vision - develop your vision - fulfill your vision!*

REPORT OF CHURCH DEVELOPMENT DIRECTOR

Dot Allred, Interim Director

According to the GBA Handbook, the principal function of the Church Development Director is: To design, administer and evaluate a program of church development that will edify the associated congregation and strengthen the life of the Association.

This position carries with it the responsibility and privilege of working with elected heads of organizations in the Associational structure. This makes the job fun. That is because the people who give of their time and energies, gifts and skills through the Association are a special group of people.

They represent the "best" in their respective fields as they serve in the churches. Although there has been some turnover this year with pastors leaving the Association, it seems God always has someone else being prepared for the positions. I want to say it has been sheer joy working with the Associational Team during my interim period of service which started in January 1992. It ended the first week in October with the coming of Floyd Parker as CD Director. I am very excited about what God is going to do through the churches in this Association under the capable, gifted, experienced leadership of this man. With his joyful servant heart you are going to like him! - love him!

To reflect on the year, I feel it has been a good year in the churches. I implemented plans that were made as budgeting was being done. I feel Leland Kerr and the committees had done a very good job, being sensitive to the needs of the churches and planning to help meet those needs.

For the most part, participation by the churches has been very good, with a few exceptions. I could have wished more churches would have taken advantage of 2-night, study course credit, courses offered for Sunday School workers. Those who attended benefited greatly from the excellent preparation by conference leaders. I feel not enough people took advantage of opportunities for help with Discipleship Training but believe there is an increasing awareness of need to do more through this avenue in our churches. VBS Clinics provided excellent help for church leaders. Although all reports have not been received in the office, indications are that we may have had more people enrolled in VBS this year than in previous years. Many baptisms have resulted from Vacation Bible Schools and their outreach to unchurched families.

The first World Missions Conference/Revival held since 1983 in the Association was held this year. Response was the best we have ever had and only eternity will record the full results of decisions and commitments made. We are so grateful for the cooperation and participation of 47 churches.

The Youth Evangelism Night drew some 800 young people to Parkwood Church with numerous decisions being made at that time. Follow up was done with churches as indicated on the decision cards. A Youth Missions Night was held preceding the World Missions Revival with good representation for the Missions emphasis - and pizza supper.

The Youth Summer Missions Team from the Association went to the Greater Fort Wayne, Indiana area for the second summer. There were 72 participants from 11 different churches. The team was under the supervision and direction of Zenita Beeler, Associational Youth Director, with the able assistance of adults from several of the churches. Gary Gregg and Chris Roberts from Chapel Grove were evangelist/music team members, assisting with pre-trip training in these areas. The Lord must have a special crown for Zenita. Normally the Church Development Director from the Association assumes major responsibility for this effort but Zenita was "IT" this year. And did a super job of it!

It is encouraging to see student work becoming a little more stabilized with an ongoing BSU at Gaston College and efforts made each Spring to acquaint high school seniors with the work of BSU on campuses they will be attending.

Leadership training in all areas of our work was made available to church leadership. The organization with the most involved in training for their responsibilities in the churches as the WMU. Second, was Sunday School. A lot of what happens in the churches is dependant on available, committed, faithful, well-trained leaders. This is where the Association can help meet the needs of churches.

Personally, I would like to express appreciation to everyone for the excellent cooperation which I have received during these months. You are the GREATEST!

SEMINARY EXTENSION REPORT
1991-1992

Four Seminary Extension courses were offered in the past association year. The courses were:

How To Understand the Bible
Studies In Isaiah
New Testament Theology
The Pastor As A Person

Teachers of the four courses were Leland Kerr, Stephen Summers, Bob Winecoff, and John Bowden.

Total Enrollment for the four studies was 67.

The Seminary Extension Department charges $27.50 for each course. The North Carolina Baptist State Convention has provided scholarships for some students.

Textbooks are those used in college and seminary classes and tests are prepared by seminary professors.

The Extension Department is endeavoring to bring quality religious education at a very affordable price to residents of local churches in or near their local communities. The courses are for pastors and lay people—anyone wishing to explore with others, and through private study, the riches of the Bible and the practice of the Christian faith.

All classes have been held at the associational office building, but a local church willing to provide class space could host a seminary class. Churches are invited to consider doing this.

Four classes will be offered in 1992-93. The first, "The History of Christian Thought," is underway now. Each class meets for 2 hours on 9 consecutive Monday evenings at the Baptist Building.

GASTON ASSOCIATION PRAYER MINISTRY

By George Clayton

The Gaston Baptist Association Prayer Ministry was adopted by the Association in October, 1991. The D.O.M., Dot Allred, and George Clayton have been working together as a team promoting this ministry.

Our objective is to develop new prayer ministries in our churches and encourage those that are already going. All churches are asked to name a prayer coordinator to work with us. At the present time we have 49 churches who have one or more coordinators assigned to us. We meet together at the Associational Building about every six weeks to pray and receive reports about what God is doing in the churches. Recently we have been bringing in a resource person to bring us about 30 minutes of teaching on prayer during the meeting. This has been very rewarding.

In January a Prayer Retreat was led by Rev. Buddy Freeman from Gardner Webb College. The Friday evening and Saturday morning sessions were attended by about 100 people.

At present we have eight churches with prayer room ministries and others in the beginning process. All of our churches have prayer ministries of various kinds such as: prayer chains, cottage prayer meetings, deacon prayer meetings, Wednesday night and Sunday prayer times.

During this year we have participated in many activities throughout our Association such as: World Mission Revival, Belmont Liquor Referendum, and the Bailey Smith Crusade.

Special prayer has been offered for many churches as well as individual needs. We thank God for the victories that He has let us be a part of.

Our goal is to enlist 100% of our churches into this prayer ministry and help bring a oneness of Spirit throughout our Association. We believe this will please Him. Pray for us.

BROTHERHOOD REPORT

By John Beam

The Gaston Baptist Brotherhood continues to grow and I have had the opportunity to work with a number of church brotherhood groups this year in training and speaking events.

I want to express appreciation to the men's groups who have volunteered for various projects in 1991-92. Thanks men for your help with wood cutting and stacking at the Baptist Center. Approximately one hundred thirty (130) loads were split and eighty seven families received wood through the association social ministries.

The Associational Brotherhood, WMU and Baptist Nursing Fellowship sponsored the North Carolina Baptist Men's Medical/Dental Bus to our association during the spring. Fifty seven dental patients were treated bringing the total for the two visits last year to one hundred fifty one (151). A sincere appreciation to the doctors, dentists, nurses, dental assistants, and volunteers who gave their valuable time to meet the people in need. A sincere thanks to the ministers who served as counselors. Several adults accepted Christ through their witness.

Thanks to the many men who contributed their time and talents to the following: Roberts Retreat area, helping to build churches, and Hurricane Andrew relief.

Stanislaw Blank. Polish Baptist Minister, was a guest in our association for nine days during the spring. He was a blessing to all of us.

Dr. James Williams, Executive Director of Southern Baptist Convention, will be in our association March 22, 1993. Plans are being made and will be announced later.

With the Roberts Retreat area near completion, we will emphasize Associational R.A. work more consistently. The Camp-A-Rama, and R.A. Round-Up are a few events for next year. More details later.

SPEAKING OF VOLUNTEERS - We still need some in two areas:

1. Wood splitting at associational building. Hard work - great fellowship - join us. More details later.
2. Roberts Retreat Area We need a large number of men and boys to do a general clean-up of the area. More details later. Let us know if we can support your work. We want to help.

WOMAN'S MISSIONARY UNION REPORT

1991-1992

Submitted by Ann Bryant

This year the national WMU theme was "Called and Accountable." We have been reminded in many ways that all of us are called to salvation and service, and we are accountable to teach missions, support missions, and engage in mission action and personal witnessing. Most of our churches have participated in some of the events which have trained and inspired both members and leaders of our missions organizations. The following events were held this year:

Baptist Women World Day of Prayer with Barbara Joiner, speaker
Home and Foreign Mission Study Workshops for those teaching the studies
Reception for WMU Directors
Baptist Women Presidents' Tea
Baptist Women Rally with Jan High, State WMU Consultant, speaker
Baptist Young Women Event, Sharon Decker, speaker
Acteens Spiritual Makeover
Baby Shower for the Needy sponsored by Deaf Baptist Women
GA Missions Adventures Workshop for GAs and leaders

GA Day Camp
Associational WMU Annual Meeting with Carolyn Miller, national president, speaker
Personal Witnessing Workshop led by Marsha Spradlin
WMU Leadership Conferences held in two locations Flea Market Ministry at Highway 321
It is a pleasure to work with those who serve on the Associational WMU Council. Please call on any of us if we can help you in any area of WMU work.

MISSIONS COMMITTEE REPORT

By Milton A. Hollifield, Jr. Executive Director of Missions

The Missions Committee of Gaston Baptist Association met on three occasions in 1992. The committee members discussed procedure for bringing churches into mission, watchcare, and full membership status in this association. During the 1992-93 church year, the Missions Committee will develop suggested programs for acquainting new churches with Gaston Baptist Association and the Southern Baptist Convention. The format for this orientation will enable prospective churches to determine if they are ready and interested in becoming a part of this association. The committee will bring this new church orientation program to the Executive Committee and General Board for approval.

The Missions Committee learned about the recommended Association Missions Development Council from Chairman Maurice DeFoor following his orientation at Ridgecrest Baptist Assembly. The members believe that our association should study the possibility of moving from a Missions Committee to an Association Missions Development Council in order to minister to and evangelize more people in Gaston County. The committee will continue to learn more about the function of this council.

During the year Chairman Maurice DeFoor moved away from this area. The Committee on Committees asked Rev. Doug Bryant to assume this position as chairman.

On October 1 the committee met and considered three churches for mission status and voted to recommend three more churches to the messengers of the annual meeting for full membership status.

Churches recommended for full membership status:

1. New Beginning - Pastor Bill James
2. New Faith - Pastor Joe Drum
3. Lucia - Pastor Michael Davis

Churches approved for mission status:

1. New Life, Cherryville - Pastor Danny McCurry
2. Friendly, Gastonia - Pastor Dan Silver

Committee Members: Doug Bryant, Chairman
Hal Helton
Steve Warnock
Joe Drum
Connie Atkins
Gary Boling

SUNDAY SCHOOL REPORT

Submitted by Stephen Summers

Our association experienced the loss of Ron Harrison as our Sunday School Director as his ministry carried him to a pastorate in Durham. Under Ron's positive leadership, our ASSISTeam was equipped to lead in several Sunday School worker training events (including the Association Training School, in which were taught the Sunday School "BREAKTHROUGH" books) and provided consulting services to our churches requesting aid.

During the year, Stephen Summers became the Sunday School Director, and began to rebuild the ASSISTeam. Only one of last year's ASSISTeam members has remained on the team. The new ASSISTeam is in place and shows great potential, as was evidenced in their leadership in September at the Sunday School Training Extravaganza at East Baptist, Gastonia (a stimulating time of training and inspiration for the 168 participants representing 32 of our churches).

The ASSISTeam for 1992-93 consists of:
ASSISTeam Director - Stephen Summers, East Belmont
Adult Director - Phil Frady, West Franklin Ave.
Youth Director - Dale Cain, Temple
Children's Director - Carolyn Patton, Flint Groves
Preschool Director - Karen Brown, Grace, Gastonia
VBS Director - Ken Gibson, Mt. Zion

Other team members will likely be added to offer their expertise in the areas of outreach/evangelism and worker training.

This coming year, in keeping with the Sunday School theme, "BREAKTHROUGH . . . Equip to Win," ASSIST wants to meet the felt needs of the Sunday Schools of Gaston Baptist Association churches. The team is available to any and all our churches to be of ASSISTance within the realms of its possibility and growing expertise. Although there are scheduled training events for the coming year (Training School: Mar. 29-30; Leadership Workshops: Sept. 28), the team's most valuable contribution might well be church consultations. You may call Stephen Summers at 825-5780 (daytime) for more information or consultation requests.

MUSIC REPORT 1992

Music Ministry continues to be an area of substantial growth for Southern Baptist churches and this year was no exception for our association. At the March Associational Music Leadership Banquet, held at Mt. Holly, First, seven of the participating churches were recognized for growth in music ministry enrollment that exceeded 10% of the previous years enrollment. These seven churches were:

Fraley Memorial	13%
Mt. Holly, First	13%
Shady Grove	18%
Stanley, First	21%
Ridge	23%
Loray	28%
Hickory Grove	39%

Hickory Grove was also recognized as the church having the largest numeric increase over the previous year with a total increase of 60 participants.

Our Adult Choir Praise Festival was held at South Point this year with 100 participants representing five churches in our association.

This year's Sr. Adult Choir Festival was held at Mt. Holly, First on April 14. A record attendance of 365 participants, representing churches from our association as well as the surrounding associations and churches from South Carolina enjoyed the leadership of Joe Parks, a free-lance composer from Chattanooga, TN. This group of Seniors prepared and presented the Parks musical, "Psalm Songs for Senior Saints."

Belmont, First and Chapel Grove were the sight of our two children's choir camps this year. The Belmont camp was held July 6-10 and was designed for grades 3-6 while the Chapel Grove camp was held July 13-17 and was designed for grades 1-6.

Fellowship among our music ministers is encouraged and promoted as we gather together each month to plan and promote our associational music calendar. Every music minister is invited to participate in our meetings and enjoy the fellowship we share. You will find the 1993 schedule printed below.

ROBERTS RETREAT COMMITTEE REPORT

Jack Bryant - Chairman

1992 has been an "almost but not quite" year. A lot of work has been done on a lot of things, but several are not quite finished.

The new conference center, now bearing the name, Spencer Building, is complete, lacking a few touch up procedures. In addition, the grounds around the Spencer Building and the log cabin, now bearing the name, Gaston Baptist Memorial Center, have radically changed. Trees have been cleared, a large parking area established, and grass has been planted throughout the area. What is lacking in the Spencer Building are necessary furnishings for a church to use the building without having to bring items from their churches. An appeal is being made for assistance in providing these furnishings and we hope to have these available before too long.

The log cabin (Gaston Baptist Memorial Center) is now available to receive furnishings, memorabilia, or other items of interest to the Gaston Baptist Association. Such items will be put on display for visitors to the retreat to view.

Grading for a picnic shelter for use by churches has been done, and as soon as funds are available, the shelter will be constructed. This should be a valuable resource for church groups wanting to have a one-day outing.

The committee continues to look at other areas of development at the Retreat. An athletic/activity field -special campsite area, an overnight lodge, expansion of the lake and a long range plan for retreat development continue to occupy our thinking.

The facilities are available to church groups for use. Such use needs to be coordinated through the Associational Office. As further funds are available, more and more work will be done at the Retreat.

Our gratitude needs to be expressed to a host of volunteers who have worked at the retreat. Log cabin renovation, conference center construction, clearing of brush, landscaping, etc., are just a few areas where volunteers have assisted. Without their help, much would have gone undone. A special thanks to all of them.

YOUTH MINISTRY REPORT

By Zenita Beeler, Youth Coordinator

Associational Youth Ministry leaders continued monthly meetings on the second Thursday of the month for support, fellowship, sharing of information and encouraging participation and cooperation in associational Youth Ministry Opportunities.

In co-operation with the Evangelism Committee, the Youth Ministry Team sponsored the Jeremiah People in STOP THE PRESSES for Youth Evangelism Night in March, at Parkwood Church. There were approximately 800 in attendance and several decisions were made: 44 first-time professions, 128 recommitments, 45 seeking God's Will for their lives, and 25 responding to full time Christian Vocations. These decisions were followed up by the Pastors/Youth Pastors of the churches.

As part of the World Missions Revival, there was a Pizza Blast/Youth Rally at South Marietta St. Church with 150+ in attendance. Pizza had to be replenished but all were fed. After viewing the compelling film, "The Greatest Story Ever Told," Chris Roberts of Chapel Grove led in music for Worship and Sherry Bumgarner, a Gaston Baptist Student at Southwestern Seminary shared her personal mission involvement and challenged the Young People to be involved in a mission life-style.

In July, 82 youth and adults loaded Backyard Bible Club supplies, sound system, puppets and stage, personal belongings and themselves into a coach bus, five vans and 2 U-Hauls to be on mission in the Northeastern Baptist Association of Indiana. After a temporary delay in Newport, Tennessee the group arrived to staff 6 preschool, 6 children's BBC's and 1 Sports camp in 6 different locations around Fort Wayne. Every evening services were held in a tent in Decatur, Indiana. As a result there were 31 decisions for the Lord: 2 during Sunday Worship, 20 during BBC, 6 at the Crusade services, and 3 during door-to-door survey. In addition, youth members of the team responded with one surrendering to the call to preach, three to mission work and ten rededications.

At present a survey is being completed to determine what the needs are for Youth Ministry in Gaston County.

THEME INTERPRETATIONS

Milton Hollifield, Jr., Executive Director of Missions

1992 THEME: "MISSION VISION IN GASTON COUNTY"

THEME INTERPRETATION I

MISSION VISION IN EVANGELISM *: Matthew 9:36-38 & Acts 1:8*

In our Metro Thrust Strategy for 1990-1995, Gaston Baptist Association declared that our priority is evangelism. In our articles of faith as presented in the Baptist Faith and Message, we state that "it is the duty of every child of God to seek constantly to win the lost to Christ by personal effort and by all other methods in harmony with the gospel of Christ." Evangelism is the good news that Jesus saves sinners from the penalty of sin, the power of sin and ultimately from the presence of sin. Matthew says that Jesus was moved with compassion when he saw the multitudes who were in need of a loving shepherd to rescue them. He provided the plan and payment for man's salvation, then he declared that his followers would be his witnesses to a lost world.

It is a sad situation when a church loses its vision for reaching the community around them. Scripture declares that "where there is no vision, the people perish." Satan would convince us that people are no longer interested in hearing the gospel or that it is not relevant for contemporary society, but we know differently. Christ established his church, and he has assured us of victory. The blood of Christ continues to cleanse people from the stain and condemnation of sin when they trust in Jesus.

In Acts 1:8 Jesus instructed his followers to begin as his witnesses in Jerusalem, then expand to Judea and Samaria and then extend into the whole world. Our Jerusalem is here around us in the communities of Gaston County. We also need to cross over the Samaritan barriers of racial prejudice. The different nationalities of the world have come to us here in the United States and North Carolina. The Home Mission Board tells us that there are one hundred sixty-seven million lost people in the US. Our Baptist State Convention reports that fifty percent (50%) of North Carolina's population does not even profess to have a church membership. This is a strong indication that a significant portion of our county population numbering approximately one hundred seventy thousand (170,000) is in need of salvation. The need is so great that we must combine our efforts to evangelize this county. We need each other in the spiritual battle against sin and the powers of darkness.

MISSION VISION: GASTON COUNTY is an effort to draw our church families together, to join forces, to pray, to cooperate and to work together as we strengthen our evangelism/mission efforts. Nothing can prevent us from evangelizing this county except a lack of vision or a lack of obedience to God. Through Mission Vision, churches will assist other churches. Manpower can be shared. Each local church has its own distinct and individual personality. God leads Christians to affiliate with particular churches. However, we are not in competition with each other. We should both rejoice together and weep together. Let us do what we do in order that He shall be glorified.

Lay witness teams can be developed from within our churches and assist in revival and spiritual renewal efforts. Construction and work force teams can be strengthened and expanded. Literacy programs need to be started in our communities. Multi-housing work is a compelling invitation because ninety-seven (97%) of these residents are lost or unchurched. New language missions need to be started for Laotian and Spanish-speaking people. Multi-ethnic mission work is desperately needed. Programs are being planned to strengthen marriage and family relationships. We expect to establish new Home Mission and Foreign Mission partnerships. Plans are being made now for a one-time partnership evangelism trip to Russia or Poland in 1993.

A dynamic and promising future is before us if we will capture a new vision of the possibilities here in Gaston County. Great things will be accomplished if we will cooperate together, exalt the Saviour and proclaim this gospel to those around us.

THEME INTERPRETATION II

MISSION VISION IN CHURCH PARTNERSHIPS

"MACEDONIA PARTNERSHIP" *: Acts 16:9-10*

Gaston Association has one hundred ten (110) churches and missions. They vary in many ways. In staff, they range from a single staff bivocational pastor to multi-staff ministers with a variety of

programs. This partnership program calls for larger churches to join in cooperation with a smaller congregation and visa versa for a one or two year partnership. This will enable each church family to learn more about operational ministries with a different size church family. It will allow congregations to join on occasions for special worship observances and endeavors. It will provide a vehicle for sharing ideas. Members in these partnership churches will be drawn closer in Christian love, cooperation and mutual appreciation.

The duration of the partnership and plans for working together will be determined by the participating churches. Increased manpower for special evangelism and outreach efforts will be available. Attendance for partnership training events and special Bible studies will increase in this combined effort. It will also allow both churches to bring in special speakers and conference leaders when expenses are shared.

The purpose of this project is to strengthen relationships between churches and build up the body of Christ through shared ideas, abilities and spiritual gifts. It will help members appreciate the individuality of other church congregations.

Listed below are some suggested opportunities for church partnership activities. The partnership churches will determine when or how often they will join together for shared events. This list is not exhaustive. Be creative. Share your ideas with the association office and other churches.

1. Prayer Ministry
2. Revivals
3. January Bible Study
4. Mission Studies
5. Outreach/Visitation Campaigns
6. Fellowships
7. Recreation Activities
8. Mission/Ministry Projects
9. Pulpit Exchange
10. Occasional Sunday School/Discipleship Training Teacher Exchange
11. Joint Worship Services
12. Missions Organization Meetings, Programs and Activities
13. Mission Trips
14. Construction/Ministry Mission Projects
15. Seasonal Programs and Observances

THEME INTERPRETATION III

MISSION VISION IN LAY INVOLVEMENT

OPERATION TENTMAKERS : *Ephesians 4:11-13 & Acts 18:1-4*

We recognize that every believer is indwelt by the Holy Spirit who performs kingdom work through human instruments. Scripture also teaches that believers are endowed with at least one spiritual gift. These gifts of grace are to be developed and used to edify or build up the body of Christ. God expects us to recognize, develop and utilize our bestowed spiritual gifts. This is not a mystery or treasure to be hidden from Christians. Very often believers can recognize what God has enabled or gifted them to do simply by involvement in ministry. One enjoys doing particular aspects of Christian service and they recognize their special ability to do a good job with the particular aspect of ministry. They find fulfillment, and other believers also recognize this person's giftedness in ministry.

A few of our church members involve themselves in short-term volunteer mission service at either the home or foreign levels. Others do not travel away but work here in local churches. Sometimes these individuals, for one reason or another are not actively using their spiritual gift(s). They sit on the sidelines and are content to allow others to do kingdom work in their local church. Some committed Christians do not have financial resources to travel abroad but would have an interest in doing short-term volunteer mission work in this area. These individuals may have an interest in Operation Tentmakers.

Some of our churches are in great need of individuals to serve in leadership positions. Because of small membership or because the church is a new work, leadership positions go unfilled. Pastors have acknowledged their need for volunteer music directors, pianists, Sunday School teachers and other leaders. These vacant positions hinder church visitors from joining these churches. Some temporary assistance would greatly enhance the ministries of these churches.

Operation Tentmakers is a plan for short-term volunteer mission service here in Gaston County. Approved tentmakers will provide their own financial support as the apostle Paul, Priscilla and Aquilla did, (Acts 18). They will serve as resident missionaries in a church or mission work of this association. Prospective tentmakers may apply for service through the association Missions Committee. An application will be submitted and references will be contacted. Based upon requests made to the association Missions Committee from churches needing assistance and matched with the skills,

spiritual gifts and interests of the tentmaker, a mission assignment will be made. The home church of the approved tentmaker will then commission this person to go out for a period of 6-12 months for mission service. Prayer partners must also be enlisted in the home church. These missionaries will do two things during their tenure of service. They will fill the position they are assigned in a particular church and they are encouraged to enlist and train someone to fill this position when their term of service has been completed.

Have you considered serving God in a missionary capacity? Do you have abilities which could be used in a smaller church or new mission work? Are you willing to ask God if he is leading you to do mission work here in Gaston County for awhile? Talk with your pastor about this and make it a matter of prayer. If interested, apply with the Missions Committee of Gaston Baptist Association. Ask your pastor to write a letter of recommendation.

THEME INTERPRETATION IV

MISSION VISION IN PASTORAL SUPPORT

"TEN FOR TWELVE FOR GOD'S SERVANTS" : *I Timothy 5:17-18*

We are blessed to have approximately one hundred fifty (150) ordained ministers here in Gaston Baptist Association. Most are presently serving churches. Some are retired and do interim pastoral work, and others are inactively retired. Twenty-five of our pastors serve in bivocational ministry, receiving most of their income from their secular occupation. Even though they are considered part-time pastors, their church work demands much more than part-time efforts. At times their full-time employment compensation is affected by their ministry workload. Some of these pastors draw little or no compensation from their churches, and their family economic situation is much less than desirable.

We also have some bivocational churches which could become full-time pastor supported churches if they could receive a small amount of temporary financial assistance. Some monies are needed for the minister's travel expenses or annunity support. Unless preparation is made now, some ministers will have no retirement or place to live in the future. Added to this is the complication for the minister's widow when he dies unexpectedly and leaves her with little or no provision. Some of our older retired ministers have almost lived in this category during their ministry. Now, with declining health and subsequent high doctor and medication bills, they are finding it difficult to make financial ends meet.

This partnership provides for temporary financial assistance for ministers in these or similar situations. The challenge is for fifty (50) ministers, churches or individuals to pledge ten dollars ($10.00) for twelve (12) months. Hopefully a pastor will personally make this pledge and challenge his church to match this pledge. This would provide twenty dollars ($20.00) per month or two hundred forty dollars ($240.00) per year for this project. Multiply this times fifty (50) participants for twelve months, and it will provide $12,000 for this emergency relief fund. Several of us sharing a little, with no one having to share a lot, will be helpful to some of our ministers.

These funds will be controlled and distributed by our association Crisis Relief Committee. Individuals needing financial assistance would apply through this same committee and show that they can qualify for assistance.

ANNUAL SERMON

"The Beaten Path to Our Doors"

Rev. Tim E. McClure
Temple Baptist Church
Gastonia, North Carolina

I John 2:1-11, 15-17

I. INTRODUCTION

As I stand before you today, in the Pulpit of this great church, now 220 years old, the oldest of all our Baptist Churches in the entire region, I am charged with the awesome responsibility of delivering God's Message for this people, on this day, in this place. And, it is a humbling responsibility. From this perspective, I am caused to ponder some breathtaking questions about the last seven (7) years, two (2) months, and ten (10) days of the Second Millennium. Questions like: Where have we been? Where are we now? and, Where are we going? It is my prayer that we will have the courage to look together at these serious and probing questions today.

On November 25, 1844, in a medium size town near Baden, Germany a little baby boy was born. His parents named him Carl. Carl was at first destined to be a blacksmith, since his father and grandfather both were blacksmiths. But Carl peered through the curtains at the unfolding Industrial Revolution, and in his early twenties began working as a carriage designer in Stuttgart. During these days, Carl seemed to hear the faint cry of a society calling out. He seemed to hear them say, "If someone will build a better mode of transportation, we will beat a path to his door!" So, young Carl set to work. He worked day and night, spent every German Mark he could get his hands on, and continued to do so for twenty years. He failed more often than he succeeded. But on January 29, 1886, Carl Benz received the patent for the first automobile. He is called the Father of the Automobile. His name is still on one of the world's best automobiles the Mercedes Benz. Indeed, the world beat a path to his door!

Ralph Waldo Emerson said in one of his lectures, "If a man will write a better book, preach a better sermon, or build a better mouse trap than his neighbor, though he live in the woods, the world will make a beaten path to his door!"

I have three (3) questions for us: *Why isn't the world beating a path to the door of our churches today? What will cause the world to beat a path to our door? and What must we do to cause the world to beat a path to our door?*

II. SCRIPTURE: I JOHN 2:1-11, 15-17

III. MESSAGE

So then, just *why isn't the world beating a path to the door of our churches today?* I believe we can see at least three (3) Scriptural reasons. First of all, the world isn't beating a path to the door of our churches because *we* in the Church have learned to *Berate Sin and yet Embrace it!* We Congratulate ourselves for exposing sin! We feverishly attempt to stamp it out! We sound out against it; we stand up against it; we strive to protect ourselves from it. But often, Sin lies at our own door! We dabble on the fringes of sinfulness and think we are unscathed by it. But beloved, if we play in the mud, we'll get some of it on us! If we play with sin, we will get it all over us! We are supposed to witness to the world, my friends, not wallow in sin with them!

Not only do we berate sin and yet embrace it, but secondly, *we Bemoan Sadness, and yet Entertain it!* We quote all the verses in the Bible that promise us peace, and yet we live in fear and trembling and turmoil. Instead of living in the Peace of God, we are funding the "American Dream" for the Psychiatrists and the Pharmaceutical Companies! Instead of lifting our heads and hearts to God, we are popping our medicine bottles, and wringing our hands. The world sees how you and I deal with the stress and anxiety, and says, "I can do that without being a Christian." We bemoan sadness, and yet entertain it!

And the third reason the world isn't beating a path to the doors of our churches is that *We Behold Strife and yet Engage it!* Beloved, when we love, nobody loves like our Baptist brothers and sisters love. Nobody loves better than we do! But, when we hate, nobody hates like we Baptist folk either! Nobody fights like we do! And when we fight, we kill our wounded! God help us to be more interested in favor and fellowship than we are in fussing and fighting! The world sees us squabbling and quarrelling and says, "I don't need the Church to do that!"

The second question is, just *what will cause the world to beat a path to our door?* Well, first of all,

they will *if they see the Gospel of Jesus Christ Present in us!* That is to say, if we love like He loved, Unconditionally; if we loathe like He loathed, or hated, He hated Sin; and if we live like He lived, Sacrificially! Secondly, they will beat a path to our door *if they see the Gospel of Jesus Christ Providential for All!* That is, He provides for the needs of the world, the whole world! And Thirdly, they will beat a path to our door *if they see the Gospel of Jesus Christ Pertinent for them!* That is for them, Individually!

The third question is, j*ust what must we do to cause the world to beat a path to our door?* First of all, we must *Commit ourselves Fully to Christ's Lordship* in ALL things, including: Time, Gifts, and Sacrifices! Secondly, we must *Constrain ourselves Firmly to Christ's Love*, His Compelling Love! And thirdly, we must *Connect ourselves Fearlessly to Christ's Liberty!* That is, we must live like we are Truly FREE!

IV. SUMMARY

Why isn't the world beating a path to the door of our Churches today? *Because we Berate Sin, and yet Embrace it* . . . because we *Bemoan Sadness, and yet Entertain it* . . . and because we *Behold Strife, and yet Engage it!!!*

What will cause the world to beat a path to our door? If they see the Gospel of Jesus Christ *Present in us . . . Providential for ALL . . . and Pertinent for Them!!!*

And then, what must we do to cause the world to beat a path to our door? We must *Commit* ourselves *Fully to Christ's Lordship* . . . We must Constrain ourselves *Firmly to Christ's Love* . . . And, we must *Connect* ourselves *Fearlessly to Christ's Liberty!!!*

V. CONCLUSION

Beloved, let us aspire to be churches intent on leading the world to Christ! Let us be willing to start at home first, and then reach to every corner of the world! May God help us to be churches that:

- *Lead without Coercion . . .*
- *Live without Compromise . . . and*
- *Love without Condition . . .*

And, *THEN*, the world will beat a path to our door!!!

A BRIEF HISTORY OF EAST BAPTIST CHURCH

The beginning of East Baptist Church dates back to the year 1900 when some members of First Baptist Church of Gastonia and Other residents of East Gastonia began to talk about the needs for a Baptist Church in their community.

Because of those conversations, in November of 1900 a group of Christians began meeting I the school building at Ozark Mill under the pastoral leadership of the Reverend J.A. Hoyle. On June 23, 1901 34 members from First Baptist Church along with five others were constituted as the Second Baptist Church of Gastonia. the Reverend W.F. Watson and three deacons of First Baptist assisted in the organizational meeting. The organization was completed at an evening service in which the reverend J.A. Hoyle, was called as the first pastor. The church name changed to East Baptist Church on May 6, 1905.

The first pastor served by "annual call." In 1904 when Dr. J.L. Vipperman was called to be pastor, he insisted on an "indefinite call." That practice was continued.

By 1907 church membership has grown to 248 and annual gifts totaled $1,076.12. A decade later membership exceeds 500 and gifts were $6,048. the largest in the association (South Fork at that time).

In 1918 the Reverend J.W. Whitley led the church to build the present worship center which was renovated in 1949 and again in 1970-71.

Messengers from East helped form the Gaston Baptist Association in 1919.

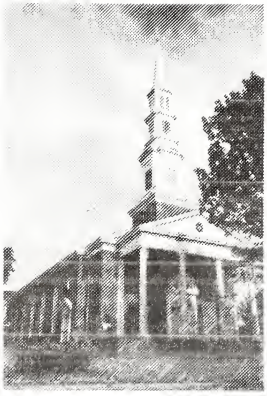
From its inception East Baptist has been a consistently missionary church. East has been mother church to Cedar Grove, Flint Groves, Seventh Avenue, Parkwood , New Hope; assisted two other churches in bringing South Marietta Street into being; and members from East played a major role in starting Brookleigh.

From its membership more than a dozen have become pastors, missionaries, and ministers of music and education.

The stated purpose of East Baptist Church is to bring people into "living relationship" with God through faith in Jesus Christ. To that purpose the church is committed with the prayer that God may be praised and the church may continue into the next century its heritage of obedience to making disciples and teaching them the things of Christ.

The present pastor of 15 years, Robert M. Winecoff, will retire February 27. A Search Committee is now seeking a new pastor for the church.

In its beginning East was a "community" church. Now its membership comes from a 15 miles radius in all directions. It is a church trying to build "community" through relationship to Christ.



A HISTORY OF UNITY BAPTIST, GASTONIA NORTH CAROLINA

Unity Baptist Church began on September 23, 1944, with a group of people who were interested in the organization of a new church in the Myrtle School District, They formed a prayer band. They met throughout the months of October and November at various homes in the community.

On November 11, 1944, Rev. L. M. Dixon, moderator of the association met with the prayer band and advised them to get a church sponsor them.Loray was the sponsoring church. Officers were elected December 31, 1944. Rev Dixon was asked to assist the church in the selection of a pastor. Also on this day, December 31, a number of pastors, deacons, and other members from various Baptist Churches of the Gaston Baptist Association met at Loray Baptist Church for the purpose of organizing a new Baptist Church.

On January 7, 1945, the Sunday School was organized with 63 enrolled and 6 visitors. At the close of the morning service, the church was called into conference and by a unanimous vote the organization was named Unity Baptist Church. That evening the B.T.U. was organized with 63 enrolled.

The first church lot was given by Mrs. Susie Whitesides Cobb and Family. The first building was erected in 1945 at a cost of $5000.00. The second building was erected in 1952 at a cost of $15,000. The third building, a brick sanctuary and educational space, was built in 1954 at a cost of $55,000. A fourth building was built in 1959, was at a cost of $64,000 for a two story educational buliding. In 1967 the new sanctuary and educational building were constructed at a cost of $450,000. In 1992, the original building was remodeled to include a kitchen and dining room at a cost of $60,000.

We are thankful to God for all his blessings through the years our church has grown. We thank Him for the Officers, Teachers, Leaders, and all the members who have worked so faithfully in all our church programs. But above all we thank him for the little Prayer Band that met on Saturday night and saw the need of a church in this community fifty years ago.

CERTIFIED PUBLIC ACCOUNTANTS

Report of Independent Certified Public Accountants

The Finance Committee
Gaston Baptist Association
of North Carolina, Inc.
Gastonia, North Carolina

We have audited the accompanying statement of assets and fund balance arising from cash transactions of Gaston Baptist Association of North Carolina, Inc. (a North Carolina nonprofit corporation) as of September 30, 1993, and the related cash basis statement of revenues and expenditures and changes in fund balance for the year then ended. These financial statements are the responsibility of management. Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted our audit in accordance with generally accepted auditing standards. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

As described in Note 1, these financial statements were prepared on the basis of cash receipts and disbursements, which is a comprehensive basis of accounting other than generally accepted accounting principles.

In our opinion, the financial statements referred to above present fairly, in all material respects, the assets and fund balance arising from cash transactions of Gaston Baptist Association of North Carolina, Inc. as of September 30, 1993, and its revenues and expenditures and changes in fund balance for the year then ended, on the basis of accounting described in Note 1.

REPORT OF
INTERIM EXECUTIVE
DIRECTOR OF MISSIONS
1992-93

It has been a real joy to serve as the interim Executive Director of The Gaston Baptist Association.

When I came for the initial interview, it was mostly out of courtesy. When I saw at the top of the job description " 15-20 hours per week," I immediately became interested ! I was real pleased to be considered and very pleased to be approved by the Executive Committee to serve.

You have an excellent staff. I discovered in a very short time that they were very knowledgeable, most willing and genuine Christian people.

The ministries of the Gaston Baptist Association are wide spread, varied and personal. A young lady came to your associational office. She looked distraught. When I asked if we could help her, she said, "Mister, we don't have any food in our house, not even potatoes, and I have an eight month old baby boy." She quickly added,"He can eat from the table." There are people who try to live off the helping agencies, but she did not appear to be one of them. She asked if she could talk to one of our ladies, and she shared her story. A food order was placed in her hands and permission was secured from her to request a visit from two of our churches near her.

This kind of story could be told once and over. You are in the business of ministering to human need in a wide variety of ways. You should be so glad that you and your church made a choice to be a part of the ministry of the 111 churches of the Gaston Baptist Association.

Jesus said, "And whosoever shall give to drink unto one of these little ones a cup of cold water only in the name of a disciple, verily I say unto you, he shall in no wise lose his reward." Matthew 10:42.

Heaven is going to be many things, but something will happen that most of us have not thought about, and that is heaven will be a time of surprises. Some of the things you have done, you will forget about. Others you have contributed to and will not know what actually happen. But jesus said not even the giving of a cup of cold water will be given without a reward. Heaven will indeed be a place and time of wonderful surprises.

The Gaston Baptist Association is not the only ministry you are involved in, but it is vital one. There are times and places where we can better minister together through the Gaston Baptist Association.

Thank You for being a vital partner. Thank you for serving with us. Thank you for caring. Thank you for seeking to be the people of god right here in our own Jerusalem.

A REPORT FROM THE
CHURCH DEVELOPMENT DIRECTOR
BY
FLOYD A. PARKER

What a joy it has been to be a part of the Gaston Baptist Association this past year. Because of your love for the lord, his church and your association, I have been privilege to be on mission with you in many exciting and meaning ways.

First of all I have had the privilege of visiting in 60 of our 111 churches and mission. I've been a part of some excellent Sunday School classes, heard some beautiful music from our choirs and heard some great preaching.

Secondly, I believe our program leaders and committee are on track with the ministries I feel the Lord would have us be involved. You can read their reports in this booklet to get a glimpse of all they are doing. We have some of the finest Christian leaders that I've ever had the privilege of working with.

For many, many years I've heard people talk about, sing about, and pray about revival within the church. This Past year for the first time in my life, I have sensed it's potential of being a reality.

I first sensed that potential among youth workers and youth of our association. Read Zenita's Youth Ministry Report to get a glimpse of what's happening in our churches' youth ministries.

Would you believe that all of the VBS reports aren't in yet. Two Hundred Ninety Five professions of faith have been recorded thus far this year. The total last year was 136 people making decisions. Ken Gibson, Surada Watkins and about 35 other leaders led in 5 VBS Clincs. Could this reflects revival is coming, or at least commitment is on its way?

At one church I had the privilege of being in dialogue about what's happening in the life and ministry of their congregation. After the Baptist Men shared all they were doing, a lady spoke up to say the ladies were on mission too. Can you believe it?

God is at work all around us and he has invited each of us to be on mission with him. When we respond to his leadership in faith and actions, we experience him in truth and in spirit.

What if each of us as individuals exercised our uniqueness in the mission God has called us to perform?

Three powerful opportunities will be our this year in our Gaston Baptist Association to demonstrate our desire to be world changers.

First "Hope for Hunting Humanity" - an emphasis for every church to be involved right where they are.

Second " Breakthrough 15,000" an opportunity to demonstrate our committee to experiencing God through His word.

Thirdly, "Here's Hope - Share Jesus Now" an evangelistic thrust to reach more people with gospel than ever before in the history of Gaston Baptist Association.

It's a great time to be a part of God's work in this place. Let's be found faithful.

GASTON BAPTIST ASSOCIATION PRAYER MINISTRY
By George Clayton

Prayer coordinators from several of our churches have met together seven times during this year for prayer, to hear what God is doing through prayer in our churches, and to encourage one other in prayer. In the spring we had Associational Prayer Conference, led by dr. Bruce Anthony, pastor of Southeast Baptist Church, Greensboro, N.C. and Micheal Hester of Duke Medical Center. We participated in the National Day of Prayer by Meeting with other for prayer on the Gaston County Courthouse steps. Some of our people also attended the annual Concert of Prayer at Gardener - Webb University, led this year dy T.W. Hunt.

On May 16, 1994 Dr. Henry Blackaby is scheduled to be in our association to lead us in "A Fresh Encounter with God." We hope that this opportunity for spiritual growth and encouragement will be well attend by all of our churches.

We are glad to report that we have three new churches who are now in the process of starting a Prayer Room Ministry. They need our prayer. Please pray for them and for your associational prayer ministry.

A sincere appreciation is given to the many groups of Baptist Men who gave of their time and talent to share in meeting the great number of needs both in and out of our association during this year.

An associational male chorus was organized under the direction of William Thornton, Jerry Olson, and Jerry Anderson. They presented the music at the meeting.

One hundred thirty six (136) loads of wood were split and give to the needy during the winter months.

The North Carolina Baptist Men Medical - Dental Van was here on September 23 and 24 and 42 patients were seen.

MISSION COMMITTEE REPORT
By: Doug Bryant, Mission Committee Chairman

The Missions Committee of the Gaston Baptist Association met on four occasions in 1993.

Jim Arrant, Director of Missions for the Hudson Baptist Association in New York met the Missions Committee concerning the possibility of a partnership between the Gaston Baptist Association and the Hudson Baptist Association. Two churches from Gaston Association Already had projects with the Hudson Association. They are Unity Baptist of Belmont and Brookleigh in Gastonia.

The committee did not recommend an associational partnership at that time. It encouraged individual churches to make project arrangements for themselves.

The Mission Committee met Burke Holland, Director of Language Missions of NC Baptist Convention, Mike Creekmore, Pastor of Centerview Baptist Church, and Judson Lennon retired Southern Baptist Missionary about a Laotian Mission sponsored by Centerview Baptist Church, Gaston Baptist Association and N.C. Baptist Convention.

Centerview has been very active in this new mission work. Judson Lennon is the pastor. Centerview members do literacy work. The mission has two services on Sunday and conduct literacy classes on Wednesday evening. Attendance at the mission range from 20 to 40 people. The mission has seven members. Pray for this work.

Fund for the Creekside Mission from the Baptist State Convention stopped at the end of 1992. A subcommittee including Steve Gregory, Creekside pastor, Cline Borders, Interim Director of Mission, and Doug Bryant,Mission Chairman, met several times concerning the Creekside Mission. A sponsor church was considered. Steve felt that God wanted him to remain at Creekside, and volunteered to remain as pastor with no pay.

The mission Committee recommended that Steve remain as the pastor of the Creekside Mission. Three Churches have put Creekside into their budgets for the coming year. If you would like to include the Creekside Mission in your church budget for the coming year, Please contact our associational office. Please pray for their work.

SEMINARY EXTENSION REPORT

By: Bob Winecoff

Four items of good news are offered in this report.

ONE: During this associational year four Seminary Extension classes have been held -- one each quarter

A Study of Matthew's Gospel
Evangelism
Pastoral Leadership in a Small Church
Dynamics of Teaching

Enrolment in the four classes averaged 15 -- our best year.

TWO: Each Student pays $18 per course though the actual cost is over forty dollars.(the price varies with the cost of the textbooks.) The Baptist State Convention and the Gaston Baptist Association supplement the student fees. Why? Because Seminary Extension Classes are viewed as mission events and as a mean of strengthening the leadership of local churches.

THREE: Joel Rogers of Hickory Grove Baptist was recognized by his classmates with a cake and refreshments period to celebrate his earning the Pastoral Ministries Diploma for completion of 16 required courses over a period of 8 years.

FOUR: Seminary Extension Courses have evaluated in 1993 by the American Council on Education. A.C.E. approved course are now being accepted by a number of college for credits towards a baccalaureate degree. Each college determines what course it will accept and the amount of credit to be given.

Four nine-week courses will be offered in 1994 on Monday nights. The first course will be a biblical study: Hosea, taught by Bob Winecoff. The class begins January 3, 7:00 pm at the Baptist Building. Vol 7 of The Broadman Commentary will be the text.

Seminary Extension serves 5,500 students in 400 centers.

GASTON BAPTIST ASSOCIATION
MUSIC MINISTRY REPORT

William H. Thornton
Associational Music Minister

The 1992-93 Music year was one of great successes and disappointments. The greatest success again this year was Sr. Adult Choir Festival which was held April 22 at Flint Grove Baptist Church. There were approximately 235 participants at the festival this year representing 14 churches from Gatson, Mecklenburg, and Kings Mountain Associations. This was first year of a combined Adult/Youth Choir Praise Festival. This years festival was held at Chapel Grove Baptist Church with nine groups representing seven churches from our Association participating. Our annual Music Ministry Appreciation Banquet was held ar First Baptist Church, Stanley with the music leadership of seven of our churches enjoying the food, fellowship, and entertainment of the quartet Chapel Grove.

The greatest disappointment of the year was the cancellation of the Association Music School because of lack of interest. Our part time And Bi-Vocational music leadership must be encourage by Pastors and other church leadership to make use of the opportunities of leadership development offered by our Association and our State Convention.

I urge all Pastors to encourage your music leadership to be involved in the opportunities offered by our Association for musical development, fellowship, and training.

Thank you for the opportunity of serving as your Association Music Ministry this Year.

EVANGELISM COMMITTEE REPORT
By: Michael Davis

Your Evangelism Committee continues to meet to plan and seek new ways to equip the leadership of our churches in reaching people for Christ. We also seek to plan events which will reach the lost committee in Gaston County.

In the past year were lead by Dr. Kenneth Hemphil In our annual Associational Evangelism Conference. He shared tremendous in sight on how equip the church to reach the unsaved. In March, pastor JimLowery lead our association in a One Day Soul-Winning Conference which equip our people to share their faith. The Evangelism Committ teamed up with the youth pastors of our association in March to host a youth Spring Extravaganza which was held at South Marritta Street Baptist Church. In May, Dr. Ron Barker of the Home Mission Board lead our association in a ToTal Church Life Conference. This conference was designed to focus our church to Exalt The Savior, Equip The Saints, and Evangelize The Sinner. This summers youth mission trip focused on "Reaching Our jerusalem". The emphasis was on evangelism in Gaston County which was highlighted by the ranklin JAM. This evangelistic crusade was geared toward reaching the youth in Gadton County. The years were completed with an associatinal-wide Bible Conference lead by Dr. Hershel Hobbs. This conference was made available to the pastor and to the public.

As the new year begins we will seek new opportunities to further equip our church to reach Gaston County with the Good News of Jesus Christ. These events include:

Jan. 31 - GBA Annual Evangelism Conference-Dr. James Merritt
Feb. 7-8 - N.C. State Evangelism Conference
May 16 - Prayer Conference-Dr. Henry Blackady
May 23 - Evangelism Conference - Dr. Roy Fish

This year we will also be focusing on the "Here's Hope. Share Jesus Now." Revival campaign. As an Associational Evangelism Committee we will seek to train the leaders of our churches to prepare for this event. You will be receiving up-dates and information about training opportunities during the coming year.

1992-93 SUNDAY SCHOOL REPORT
By: Stephen Summers

To draw on the Sunday School theme of the past year, it has indeed been one of equipping to win. Our Association Sunday School Improvement Support Team (ASSISTeam) was both equipped and eguippers. Since all but one of our team were rookies, we began an orientation meeting led by Phil Stone from the state S.S. office. That set us on track for the ASSIST training Institute in February, which served to develop our team and prepared us to lead the Association Training School for Sunday SchoolWorkers at Temple Baptist in March. Thirty-seven Sunday School Workers from nine churches received training in outreach-evangelism. Following a planning and evaluation meeting in the Spring, the ASSISTeam also led a planning workshop in august for pastors and S.S. directors, and conducted a motivating Sunday School Rally at Rankin Lake Baptist in September.

Out ASSISTeam is on the cutting-edge of Sunday School training. Although we offered some centralized training opportunities for our churches' Sunday School workers, we discovered a much more effective means of training to be in personal consultations with our churches. This year, our team members met with ten churches as consultants. One member is doing an extensive consultation over the coarse of 13 weeks. As we are able to add additional members to our team, and get them trained, we hope to be even more flexible and available to ASSIST our churches in developing their Sunday Schools.

The ASSISTeam directors for 93-94 (and their years of ASSIST serive) are as follows:

Preschool Director: Karen Brown, Rankin Lake (6)
Children Director: Carolyn Patto, Flint Groves (1)
Youth Director: Dale Cain, Temple (1)
Adult Director: Amy Summers, East Belmont (0)
Outreach Director: Chris Roberts, Chapel Grove (1)
ASSIST Director: Stephen Summers, East Belmont (1)

The theme of the 1993-94 s.s. year is BREAKTHROUGH: Serve to win. Ministry through the Sunday School is an important emphasis. One effective vehicle for ministry through the Sunday School is the enlistment of care group leaders, who regularly contact their group members to discover and meet needs. Adult Sunday School classes should have one care group leader for every seven members. Youth should have one for every five.

Upcoming scheduled Association training opportunities for Sunday School workers include the Association Train School on March 5, 1994, where we will teach the new Understanding series, and a Sunday School Rally and Worker Training Night on September 6, 1994. Perhaps the most valuable ASSISTance available to the churches of Gaston Baptist Association is a consultation with the ASSISTeam. If interested, call Stephen Summers at 825-5780.

The most exciting Sunday School event planned for 1994 is BREAKTHROUGH 15,000 an effort to have 15,00 persons involved in Bible study on November 20, 1994. The GBA S.S. leadership is asking all GBA churches to participate in this association-wide high attendance day. To accomplish this BREAKTHROUGH 15,000, we are challenging each church to set their high attendance goal at 32% above average attendance reported in the 1992 annual. Promotion for this event will build thouhout the year, and culminate in an exciting day of glory for the Lord (and residually for the churches of our association)

RETREAT COMMITTEE REPORT
By: Jack Bryant

This past year has been a significant year for Roberts Retreat. It marked the completion of a great deal of planning and work to construct a Conference Center to be used by Gaston Baptist Association Churches. Final construction was completed on the Conference Center, and a name was selected for the building. It was named the Spencer Conference Center, honoring Rev and Mrs. Richard Spencer, our former Director of Missions and wife, for their untiring work to bring to fruition this building. Numerous volunteers worked on the project, and others gave financially to purchase materials. A Dedication service was held April 4, 1993, and since that time several churches have used the facility for church activities.

The log cabin located on the property was also renovated under the able leadership of rev. A.A. Bailey. With the use of several volunteers, the cabin has been restored to its original condition. Rev.

Bailey continues to search for furnishing for the building to give entire building, inside and outside, an authentic look. It, too, was dedicated on April 4, 1993, and named the Gaston BAptist Memorial Center. Artifacts from churches as well as from the Gaston Baptist Association are on display in the building.

Another major work project during the year at the retreat was the construction of a large picnic shelter to accommodate large church groups. It is now basically complete, but not in time to be used by churches before the picnic seasonended. This should be a well-used facility as the Spring and Summer season of 1994 arrives. Thanks to the generosity of Joe and Kitty Brown of Dallas, funds were contributed toward the purchase of materials. It was constructed by a host of volunteers coordinated primarily by Coy Postell, Miller Garrison, Charlie Mears, and Myself. It was also dedicated on April 4, 1993 and named the Brown Picnic Shelter.

Youth and children's groups made of the facilities during the year. Acteen, R.A.'s and G.A.'s were often found at the retreat. Some used the Conference Center. others camped on the grounds. All seemed to have a very enjoyable time.

Planning continues to be done for the retreat. Area that continue to be under construction are athletic facilities, camping facilities, renovation of the lakes, and the postulate of an overnight sleeping facility. Much planning needs to be done as we begin our next projects.

During the year approximately 30 churches used the facilities. With the completion of the picnic shelter, the anticipation is that more use will be made of the retreat next year. As more churches use it, and more publicity is promoted, more and more groups will seek to use this valuable resource. Guildlines were adopted during the year, and interested groups in using the facilities are to schedule its use through the Assocaitional office.

We owe a debt of gratitude to Henry Hoyl, who lives on the property, for making the use of the facility relatively easy. Henry(pop) always makes sure the facilities are unlocked and locked as church groups come and go.

Continue to pray for your committee as we plan for future development and use of the Gaston Baptist Robert Retreat.

YOUTH MINISTRY
GASTON BAPTIST ASSOCIATION

This has been an "awesome" year in youth ministry in Gaston Association as we have watched God work:

Youth Ministers/Leaders continue to meet monthly and attendance is growing. We scheduled a night meeting in January to encourage and share information with those volunteer and part time youth leaders who are not available at noon. An update list of contact persons with youth ties in the churches about because of this meeting and allows better networking among youth leaders in churches.

The Saturday Night Thing, a monthly youth gathering for praise, worship, message and invitation, grew out of the Associational youth Mission Trips and the bonds that were developed among the different youth groups. This is now an eagerly awaited monthly event with any decision for the Lord. Attendance averages about 150. If your youth groups would like to be involved they are welcome. Next Date: October 23rd at Unity Gastonia 7:27pm.

March brought **Power Break In The Son,** which consisted of a Friday night gathering, Saturday seminar for youth led by our own youth leaders and pastors, and rehearsals of the first Associational Youth choir and Youth band. At the Saturday evening service, Robert Shaw, Youth Evangelist and conference leader, broutgh a powerful message after our young people shared their testimonies in words drama and music.

Response: **Let's Do It Again!**

Summer Missions target this year was **Reaching Our Jerusalem** as our youth trained and prepared to minister in Gatson County. Backyard Bible Clubs were held in Greenview Meadows Apartments for Salem Baptist Church, in Georgetown Apartments for South Hampton Baptist Church, South Marietta Community, and Creekside Community for the Mission There. Youth from Centerview, Chapel Grove, First Bessemer City, Fraley Memorial, Sandy Plains, South Marietta, Tuckaseege, Unity-Gastonia, and Victory formed our teams.

Every night we gathered under the big tent on Franklin and shared witness through our presence, the music of Gateway the testimony and song of our youth and the message of Hank Williams that God

is Truly alive and loves the teens of Gatson County.

Response: **Let's Do It Again!**

UPCOMING:

True Love Waits In churches - November; Assocaitional Rally - January, State Rally - Febuary13. God has truly been at work around us. **To Him Be The Glory And Honor And Praise.**

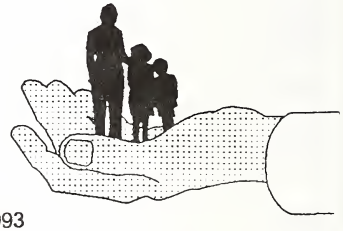
CRISIS MINISTRY
By: Lisa Adams
Crisis Coordinator



October 1992 thru September 1993
Ministry to Families

Food	942
Clothing	637
Medication	211
Utilities	662
Transportation	23
Wood	136

Thanks to the continued support of the churches in our association we have able to assist a total of 2611 families as shown above.

The food in our food pantry comes directly from each church in the association. We depend on each church for total cooperation. Please make sure your church realizes their responsibility and importance in getting their food in promptly. This is a very serious matter, and as you can see the large numbers of families we are reaching with this ministry.

We had two very successful days with the N.C. Baptist men's Dental van. Forty-two patients were treated and received counseling. We appreciate the involvement of the WMU and Brotherhood groups, along with the dentist, hygienists, assistants, and the organizing help from Mrs. Myra Walsburger and Mrs. Juanita Meares. We are so thankful to these people for taking time from their busy schedules to met the needs in our community. The dentist volunteering their time were Dr. Artie Cooper, Dr. James Gudger, Dr. Gary Weller, Dr. Fred Blume, Dr. Cordell Scott, Dr. William Kelly, and Dr. Allen Brown.

The clothing department has been renovated during this past year. We express a tremendous thanks to mrs. Selma Potts and Mrs. Rena Leary for their organizational skills. We are now meeting our clothing orders on a daily basis. Our greatest needs are children's clothing, men's jeans and tennis shoes, towels and wash cloths. "Seasonal" item's are always needed (such as fans in the summer, blankets in the winter, and school supplies)

The Deaf Baptist Women sponsored a baby shower for our department again this year. We were able to supply many, many families with new baby supplies. Thanks ladies for a wonderful blessing given to each new mom.

Wood is available for the elderly who use it as their source of heat. Thanks to the Brotherhood and R.A. groups that help keep the wood pile replenished.

I am always available to speak to any church group interested in what is being done in our community through the Crisis Ministry, and We Welcome anyone who wishes to visit our facilities.

STUDENT MINISTRIES COUNCIL REPORT
By: Olin Byrum III, Chairperson

Nearly every North Carolina Baptist church has the potential to be a college church. With the college students explosion and the advent of the Community College system both have combined to place students in nearly every Baptist congregation. Because many of these 18-25 years old still live at home and work in their community their local church becomes the place they still rely on for their spiritual needs to be met.This becomes even more important once it is realized that during these years the students moving from adolescence to adulthood. And yet students feel that they do not fit in at church.

The Gaston Baptist Association Students Ministries Council was formed in 1989 with two distinct responsibility to help resolve this situation.

First, we are a resource to the Gaston College Baptist Students Organization. During the Fall, Winter, and Spring Quarters we support the BSU by Providing an information/refreshment Booth that promotes the BSU and distributes tracts and scripture booklets.

For the past year the BSU has had an Average attendance of six. The following lists some of the things the BSU have been involved in:

The BSU president attended Student Week at Ridgecrest and the annual Fall Convention also held at Ridgecrest for North Carolina Colleges and Universities.

During the month of September the BSU 1. sponsored and off to college luncheon at Hillbilly Barbecue for rising GAston Collage freshmen and church staff members. Ten students, two church staff members, and the BSU Director participated 2. had approximately ten students participate in "See You At The Pole" day for Prayer on campus; and 3. had a program on State Mission and Tours the Gaston Baptist Association's Crisis Ministry facilities as part of the State Mission Offering which supports Christian social ministries in local associations.

The BSU meets every Friday at 12:15 pm at Rankin Lake Baptist for a luncheon meeting. The program includes a balance of fellowship, mission study/action Bible study and an emphasis growth. One of the most meaningful activities of the organization is the time the group spends together praising God for his blessing and sharing their prayer concerns. BSU is committed to serving the Lord and being light on campus. The group consist primarily of Baptist Students, but is attracting Other evangelical Protestants as well. Please make sure your Gaston College students are aware of this group.

Second, We offer support and training to our GBA churches in ministering to your College students. We will be Glad to assist you in designing and developing ministries specifically for your students, so that you can more effectively help them grow as christians and as leaders, Please let us know how we can help you.

REPORT OF HISTORIAN

Since the Association Minutes contain the report from the churches which sent in reports and included any significant historical events, I will not read these events. However, I wish to call attention to the fact that much history has transpired in 1993, not only in our individual churches but in the Gaston BAptist Association. For instance, we lost our Director of Missions to the N.C. Baptist State Convention. Also there was remarkable stride made in the development of the Roberts Retreat. We commend the many faithful workers who contributed to this great work.

It is very important for every church to keep accurate records and send to the Association . There should be a historical committee in each church whose duty it is to collect in a pictures, clippings, and accounts of significant activities throughouteach year. A history can be written every five years or every ten years, but do not wait 25 or 50 Years. Irdecomes too difficult.

In writing the history of your church use the minutes of business meeting and the associational minutes. Interview older members who can tell interesting and important incidents. In the Archives of the Wke Forest University Library there ia a wealth of information about many many Baptist churches all over the State of North Carolina. The information is well Catalogued with files for every church and every

Baptist Pastor. The stories go back to the beginning of Baptist history in Noth Carolina. It is helpful for you to send pictures and historical data of your church to the Wake Forest Library for Their files. Do a great service for posterity by keeping good present day records, which will some day be history.

ANNUAL SERMON OUTLINE
By: Rev. Thomas Hogan
Hickory Grove Baptist Church

"It's a dennis and two pastors are talking..." Just when I read the text "A-S-K", this Mitchell kid... There we have a picture of (1) the church's position (ASK) and (2) the world's disposition " I want a ..." In Mark 9, we have 2 more pictures laid side by side. (1) Mount of Transfiguration..(2) A Father bringing... What We Have here is two fold:

Mountain Faith in Isolation/Compassion without Power.

First, there's:

I. Mountain Faith in Isolation

A. Wouldn't we like to have been in their shoes(see, hear, feel).
We need those M.T.E. (1970) I've been in meetings...

B. Obviously God wants us to have a Mountain of Faith (in Mark 9)
Moses, Elijah... Beloved go to the Mountain

C. But remember and don't forget...there's a world down there...and they desperately need God ! Did you !

D. So, Mountain Faith in Isolation **won't** do (James). We can't stay... Like Jesus and the 3 we've gotta..."save mens lives"... That's what Jesus wants us to do.

II. COMPASSION WITHOUT POWER

A. Meanwhile, down in the valley, the other nine are a picture of "Compassion without Power"..a father brings..They did their best/They wanted to help../They were"doing their thing",but... Verse 18.

B. What would **we** do? Form a committee/book/Robert Tilton.

C. Verse 29 tells us why those nine failed..They were busy in "hurt valley" but they had not been. What we have here is "Compassion without Power" and that is just as futile as "Mountain Faith in Isolation" . Compassion without Power" only sends men to Hell. You see, beloved, God doesn't God **doesn't** want men in the valley who haven't been...and God doesn't want men on the mountain who aren't willing to go.

III. What God does want is Mountain men In Victory Valley

A. Fortunately, Mark 9 doesn't end at verse 18. Jesus comes and heals the sick and convulsive son.

B. Beloved, we live in that kind of world today(eyes that do not see...)

C. What's a mother to do? Jesus say's "This kind...prayer and fasting. Prayer because prayer releases the power of God in us and thru us. Fasting because fasting releases us from any power of the flesh (only weakness and craving after God). The pastor met with his deacons...Yes beloved it has come to that !

D. In Prayer and Fasting we find Mountain of Faith merged with Valley of Compassion and that's where the healing comes.

1. Beloved, God doesn't want men on the Mountain who won't go down into the valley of hurt.
2. Neither does God want men in the valley who haven't been to the mountain with God.
3. God does want men in the Valley who have been to the Mountain and come down with Compassion and Power.

So let us go...Get all that God's Got for us and return to the valley of hurt with Mountain Faith, Compassion and power.
